Competing at an Alberta Schools' Athletic Association high school provincial championship is the culmination of years of practice, commitment and dedication on the part of student athletes and coaches. It is in recognition of these outstanding efforts that I welcome you to the 2015/2016 ASAA 4A Boys and Girls Basketball Provincial Championship, hosted by Lindsay Thurber, Notre Dame and Hunting Hills, Red Deer.

welcome

The significant volunteer time committed to this event by members of the local championship organizing committee will ensure that you are treated especially well this weekend. I wish to thank event chair Terence McMullen for taking on the mammoth task of hosting. The efforts of Terence, the staff, students, parents and friends from the Red Deer community should be recognized and I encourage athletes and coaches to take a few moments during the tournament to say thank you to your hosts.

The ASAA is proud to be associated with student athletes and coaches, and we know many of these individuals either are, or will be leaders in their schools and community. I challenge all athletes, coaches and spectators to promote the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship – both during competition and outside of the competitive arena. You are role models who we trust will celebrate your success with humility and defeat with grace. What a great opportunity you have to show everyone the positive correlation between school athletics and positive character development.

I want to acknowledge and thank the ASAA's Senior Partners: Alberta Milk and SUBWAY®, Major Partners: Morgex Insurance and Entripy Shops and our Suppliers, which are listed throughout this championship program, for their ongoing support of the ASAA and student athletes across the province. Their support of the ASAA enhances the provincial championship experience.

Have a fantastic time at this championship; I trust you will take home memories that will last throughout your lifetime.
