NOVEMBER 2002

Fall Planning Meeting

Date: December 6-7
Location: Red Deer Lodge
Time: Start 12:00 p.m. Friday (lunch)
Meeting to start promptly at 1:00 pm
Conclusion: Approx. Saturday 12:00 pm
More information will be sent to delegates prior to the meeting.

Vacant Championships Badminton/ Cheerleading

Two Championships are still without hosts for 2002/ 03. If you would like to host Badminton or Cheerleading, please download the bid package (www.asaa.ca/pdfs/BidProv.pdf) and submit it to the ASAA. Championships without hosts one month prior to the event will be cancelled.

Upcoming Deadlines

December 1: Deadline for Eligibility Appeals for Basketball, Badminton, and Track & Field
Basketball Preseason Ranking Forms to be sent to Regional Representatives

December 15: Deadline for Online Basketball Declaration (See Below)

January 22: Deadline for Online Registration for Curling, Cheerleading, and Wrestling

Online Basketball Declaration

As in previous years, the "opt-up" deadline for Basketball is December 15. In order to opt up to a higher classification, you will need to log in to ASAA Online Registration, "Create" your Basketball Team Registration Form, and choose the classification you are opting up to.

Curling Update

The 2002/03 McDonald's / ASAA Curling Provincials have been awarded to J.C. Charyk in Hanna, Alberta.

Due to a conflict with Alberta Curling Federation Juvenile Provincials (U17), the ASAA has decided to change its dates to accommodate high school curlers. Curling Provincials will be moved to March 5-7. The 6:00pm draw on March 5th will see teams from Central, South, South Central and the Host Zone square off, while schools from the NE, NW, NC and Edmonton Zones will not play until 8:30pm on Wednesday. The event will finish early enough for teams to get to Calgary and the ACF event in plenty of time.

Our thanks to J.C. Charyk and the Hanna Curling Club for being flexible with their scheduling.

Powerade/McDonald's Fundraising Event presented by Coca-Cola Bottling Company & McDonald's

Coke has recently signed a 3 year sponsorship agreement with the ASAA. Part of that agreement involves a partnership with McDonald's in providing an exciting new fundraising opportunity for member schools and affiliate junior highs. Details are available on the ASAA website.

Basketball Rankings

Enclosed with the newsletter is a list of Basketball ranking officials. Please submit your rankings information to the appropriate regional representative - not to the commissioners. Ranking timelines, preseason forms, example submission forms, and the rankings themselves can be found at www.asaa.ca

Editorial

I have read the editorial below a number of times recently and thought the message a rather powerful one that was worthy of sharing with our readers. Jack Roberts, a much-respected figure in high school athletics in the United States, wrote the article. Jack is noted for his thought provoking editorials that appear each month in the Michigan High School Athletic Association Bulletin. I encourage you to share this article with other teachers, parents and students.

John Paton, Executive Director

Give Thanks

by Jack Roberts, November 1999
Executive Director, Michigan High School Athletic Association

I can still recall as if it were yesterday my high school choir director stretching out his arms, throwing back his head, and looking to the heavens when we got a particularly loud and inspirational chord just right. I can remember his eyes welling up with tears when we got a soft, delicate phrasing just right. His love for music and for us was so infectious, he won the hearts of 50 adolescents for music and for him.

When I was a senior, I joked with him that he should be the highest paid employee of the school district. He said he disagreed because the highest paid employee didn't get to see the love and hear the music of 50 kids for 50 minutes every day the way he did. He felt he was the most highly compensated employee in the district.

But ten years later, my mother told me that this choir director had left teaching for private business. I was incredulous. I couldn't picture Mr. Schultz as anything but a teacher. I was greatly saddened.

Ten years after that, I attended my 20th high school reunion; and the two teachers invited to join the Class of 1966 that night included Mr. Schultz.

That evening, I asked to speak with him privately. I told him I was saddened when I heard he had left teaching and I was still sad, because he was the best teacher I had in high school. "Why did you leave teaching?" I asked.

He answered, "Because no one told me what you just did."

What a loss for education. And what a difference a word of encouragement might have made.

So this Thanksgiving, let us each seize the opportunity to give thanks for and to give thanks to the most important educators of our lives.

McDonald's/ASAA Provincial Golf Results

September 23-24, 2002

Golf Provincials were hosted by Salsibury Composite High School. The tournament was played on Northern Bear and Broadmoor in Sherwood Park. Many thanks to Ishbel Mucklow for her outstanding contributions to making the McDonald's/ASAA Golf Provincials a success.

*** A Playoff was not held in 3A/4A Girls, so both teams were awarded Silver Medals.**

2002 Cross Country Provincials

by Brian Torrance

Project Coordinator, Alberta Schools' Athletic Association

On October 19th the Cross Country Provincials were held on Weasel Fat Flats on the Kainai Nation Reserve . The course was four miles west of Lethbridge on the floodplain of the Old Man River. It was a beautiful location combining cultural history of the Kainai community and a fast course for over six hundred high school athletes. The event was a huge success due to the outstanding contributions by Committee Chairperson Dwayne Donald and the many volunteers from the Kainai community.

To greet the runners in from their long trips the race organizers hosted a reception at the Lethbridge Lodge on the evening before the race. University of Florida star and descendent of the Blood Tribe Becki Wells was a guest speaker and spoke of the life time benefits of running. A highlight video was shown of Becki winning many NCAA races from 800m to 5km. The high school athletes were enthralled with Becki's stories of coming in dead last in her first few cross country races before persevering and dedicating herself to the sport to become one of the fastest college runners in the United States. Becki highlighted that in life as well as running you usually lose before you win, but it is how you handle those loses and what you learn from defeat is what paves the road to victory. Another important message that was reiterated several times throughout the evening was to keep on running well past an athlete's high school years. McDonald's ASAA Cross Country Provincials should not symbolize the end of the running season but the beginning of a lifetime of running.

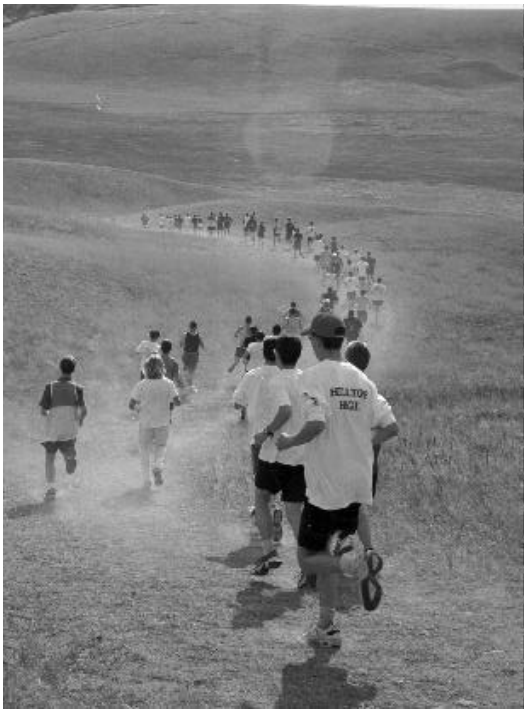
Before the races got underway the Kainai Nation represenatives presented a cultural display of entertainment that educated the curious high school athletes. In the first race of the day the Junior Girls were led by Barbara Reike of Strathcona-Tweedsmuir (11:31) who just edged out Wetaskwin's Janelle Williamson over the three kilometre course. Kimberly Ball of Strathcona-Tweedsmuir was third place running a strong 11:53. The junior boys followed with Brad Orchard of Dr. E.P. Scarlett cruising to victory with a superior performance. Brad ran a blistering 11:30 for the 4km course. Jesse Williams (11:59) and Matt Sinclair (12:02) scored valuable points for their respected schools placing second and third.

In the girls Intermediate division Shauna Ritchie of Bellerose Composite won a tight race over Stephanie Aitken of last year's host Beaumont Composite. Third place Haley Digel kicked to the finish line to hold onto third place. The level of competition was high all day but very evident in this race where all top three finishers were under 14:00. Intermediate boys featured an awesome performance from Aaron Robson of Harry Ainlay. Aaron was 44 seconds ahead of a very talented field that included second place finisher Dustin Schmidt (17:16) from Wetaskiwin and third place finisher Cam Mang (17:34) from Salisbury Composite.

The seniors had a long day supporting their team-mates but as the sun came out in the early afternoon it was their time to shine. The senior girls race didn't disappoint with Heather Sim of John G. Diefenbaker capturing first place on the 4km course running 13:13. Heather was closely followed by Kristen Rylance (13:28) from Buck Mountain and Jen Annichiarico (13:58) representing St. Joseph Collegiate. Senior boys was the Travis McKay show from Harry Ainlay High School. Travis averaged a remarkable 3:00 per km to finish the course in an even 18:00. Peter Tyminski (18:29) from St. Francis (Calgary) ran hard for a second place finish in 18:29 and Logan Burke (Catholic Central) was third running 18:45.

After the races most teams stuck around for a lively closing ceremonies. As Ingrid Ruys of Athletics Alberta diligently worked out the scores in the results area the Kainai hosts put together the first Provincial Championships Round Dance. The athletes and coaches enjoyed themselves while the final team results were calculated. In the 1A team division New Norway took the banner with just over 425 points. New Norway standouts included Marissa Jans, Kyla Lindsholm, and Andrew Grahn. In the 3A division the championship went to the cross country powerhouse Wetaskiwin. Coach Pete Wright had a roster deep in talent, even winning a college meet in Red Deer earlier this September. Wetaskiwin was led by Janelle Williamson, Nathalie Layton, Dale Feske, and Keltie Booie to name a few. Congratulations Wetaskiwin on a very successful program. The 4A team division was a dominating performance by Strathcona Composite who had a solid bunch of competitors. Natasha Blade and Kirstie Lithrow ran side by side in the Junior girls to score valuable points for Strathcona Composite and Brett Konsorada was strong in the boys 6km. The final award was for the 2A champions and to the home crowd's delight the host school Kainai won with 658 points. Bradley Big Swallow, Andre Black Plume, Angel Small Eyes, and Tim Scout were all brilliant for the Host school.

Special thanks to Ingrid Ruys, ASAA Commissioner Don Cassell, host Dwayne Donald, and the Kainai community who made this event one to remember.



McDonald's/ASAA Provincial Cross Country Results

hosted by Kainai High School
October 19, 2002

Trophy Winners

1A School Team	Tom Humphrey	New Norway
2A School Team	Len Ross	Kanai, Blood Reserve

ASAA ExNet Online Registration

Now that we've had four sports registered (Golf, Cross Country, Football and Volleyball), schools are starting to see the benefit of Online Registration. Further benefits will be realized once we are a year into the process, and school databases start to fill up, reducing the need for adding students to the system. We realize that there will be growing pains as we continually modify the system. We do appreciate everyone's patience.

A few reminders and tips about ExNet....

- The "Active" box must be checked for each student for them to be activated to a particular roster - simply adding them to your school database (inputting their name, grade, etc) does not mean they are on a school team roster.
- Every time a "Save" button is pressed, there will be a red or green bar indicating success or failure. Depending on the size of your monitor, you may need to scroll up or down to see this bar.
- Grade 9's can be entered by choosing "Grade 9" in the pulldown menu, and indicating the year of entry into grade 10 as what it will be.... (this year's grade 9's would have a year of entry into Grade 10 in 2003). However, if you are not a 1A school (or Tier IV football), the students will not be accessible to add to a roster until they reach grade 10.
- Keystroke tips.... when entering students into your school database, using the "m" key will change the gender from male to female, and using the "1" key will toggle between grades 10, 11, and 12.

You will need to contact the ASAA when:

* you have made an error in the entry of student information
* you have students without ASN numbers
* a student you are trying to enter is registered in a different school.

Sportsmanship Pin Awards

For the 2002/2003 Provincial Championships, a Sportsmanship Pin Award will be given to individuals who exhibit integrity, fair play and good sportsmanship. Sportsmanship Pin Awards may be given to players, coaches, parents and spectators. These individuals should be recognized for bringing a positive presence to a specific sport and for maintaining a high calibre of sports in general.

Recipients of a Sportsmanship Pin should show some or many of the following characteristics:

Players should:

- Conduct themselves in a positive nature/manner during, before and after the game
- Offer positive feedback to opponents during the game
- Shake hands before and after the game
- Be courteous, polite and friendly
- Show good sportsmanship during the game
- Show concern, respect or empathy for an opponent

Spectators should:

- Consistently give positive feedback to players and others
- Welcome opponents
- Present positive comments before, during and after the game
- Be helpful to others (i.e. willingly offer information about the game, score, scheduling, venue locations etc, to onlookers)

Make it a goal this year to receive a Sportsmanship Pin Award!

Canadian School Sport Federation
AGM 2002
Banff, Alberta

Canadian School Sport Federation Delegates

From October 3-5, 2002 the ASAA hosted the Annual General Meeting of the Canadian School Sport Federation in Banff, Alberta. The last time the ASAA hosted this meeting was in 1993 in Calgary. The meeting is held annually and represents an opportunity for member associations to work together in an advocacy role for high school athletics in Canada. Attendees at the meeting this year included: Executive Directors and Presidents of the Provincial High School Athletic Associations from across Canada; a representative from Sport North Federation (NWT); a representative from the National Federation of State High School Associations (USA); members of the Executive Committee's from Saskatchewan and Alberta as well as ASAA staff.

A unique addition to the meeting this year was a Forum wherein the Hon. Paul DeVillers, Secretary of State for Amateur Sport, Government of Canada and Dr. Bill Byrne, Deputy Minister, Alberta Community Development joined meeting delegates to discuss their vision of the sport and educational athletics system in the future. There was a consensus on the benefits of school athletics in developing leaders and outstanding citizens. There was also recognition on the health benefits that are derived from a healthy lifestyle and the impact on health system costs. Hon. Paul DeVillers pledged to work with provincial government representatives in an effort to declare Oct 20-26, 2003 Annual Canadian School Sport Week.

John Paton (ASAA), Colin Hodd (CSSF President), Hon. Paul DeVillers (Secretary of State for Amateur Sport, Government of Canada), Dr. Bill Byrne (Deputy MInister, Alberta Community Development)

HOSTING TOURNAMENTS

Are you hosting a tournament this year? There are a few things you need to know...

Formal written application for sanction of interschool events is required when:

1. ASAA member schools host inter-provincial / international events involving 3 or more school teams in activities of the ASAA.
2. ASAA member schools travel to out of province events involving 3 or more school teams in activities of the ASAA. The sanctioning process needs to be initiated by the host school through its own provincial or state governing body.
3. Non-ASAA member institutions or organizations wish to host high school events.

Notification of Sanction Approval: It is the responsibility of all schools involved to check the status of the written application by visiting the ASAA web site.

Formal written application for sanction is NOT required when:

1. Events are hosted by ASAA member schools and involve only ASAA member schools. However, these events must meet the same requirements as inter-provincial events.
2. Inter-provincial / international play occurs between only two school teams.
3. Events include solely those schools that are listed in the blanket sanction agreement, as outlined on pages 45-46 of the 2002/2003 ASAA Policy Handbook.

Upcoming Sanctioned Tournaments

Sanctioned Alberta Host (listed by date)

Host School	City/Town	Sport	Province	Date
St. Francis Xavier	Edmonton	Boys and Girls Basketball	SK	November 28-30, 2002
Medicine Hat High	Medicine Hat	Girls Basketball	SK	December 5-7, 2002
West Island College	Calgary	Boys Basketball	SK	December 13-14, 2002
St. Francis High	Calgary	Boys Basketball	BC, SK	January 10-11, 2003
Bishop McNally	Calgary	Boys Basketball	MB	Jan 31-Feb 1, 2003
Western Canada High	Calgary	Boys and Girls Basketball	BC, SK, MB	February 6-8, 2003
McCoy High	Medicine Hat	Boys and Girls Basketball	SK, MB	February 7-8, 2003
Lloydminster Comp.	Lloydminster	Boys and Girls Basketball	SK	February 7-8, 2003
