# Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 ASAA 1A Girls Basketball Provincial Championship being hosted by Bawlf School.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event chair Rob Longhurst and his entire planning committee for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntripyShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province. Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

# Athletes' Oath

“In the name of all competitors, I promise that we shall take part in these Provincials in the true spirit of sportsmanship. We promise to respect the sport of basketball and the rules that govern it by playing fairly and honestly. We promise to show the same respect to the officials and the calls that they make. We pledge to respect our coaches, listen to their instruction and strive to meet the goals they have set before us. We also promise to encourage our teammates and help they play to the best of their ability. We promise to respect our opponents as we all strive for victory, and to understand that it is striving that is important and not the victory. We promise that this will be a drug-free event and we pledge to never use performance enhancing drugs. We pledge to use our gifts and abilities in basketball to build integrity, self-respect, perseverance, cooperation, a sense of justice, teamwork and responsibility within ourselves.”

*The Viking Vixens have had a trying but successful season filled with some key injuries that prevented them from building momentum in the beginning. The team battled hard and started to come around after the semester break. They put together a run of well-played league and tournament games to help them move up in the rankings and head to Zones. There, the Vixens won a very exciting buzzer beater game earning them a provincial berth and silver in the gold medal game. The Vixens are excited to be back at Provincials after a 4 year absence and wish all of the other teams a fun and injury-free tournament.*

### From the Coach

*This year's Rundle Academy team has had a long journey to provincials. After starting the year with only a few high school players, we added 6 grade nine players to help field a team. Over the course of the season, these players have learned to work together to have success. Despite several injuries, the girls have shown determination and teamwork. Without another 1A school in our zone, the team has had to play in mostly a 2A league, along with attending several out of town tournaments.*

A winner is someone who recognizes their God-given talents, works their tail off to develop them into skills and uses these skills to accomplish their goals.

Each and every sport is governed by rules and regulations and basketball is no different. This covers play, game officials, equipment and procedures. Most leagues are governed by their own basketball rules and the basic basketball rules are the same, regardless of league. Basketball is a team sport that is played by two teams with five players each. Each team tries to outscore the other team by using skills and avoiding any violations.
