

2016/17 PROGRAM

Cheerleading

April 7-8, 2017
Edwin Parr Composite

Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 ASAA Cheerleading Provincial Championship being hosted by Edwin Parr.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event chair Barb Lachance and her entire planning committee for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntripyShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province. Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

To our visiting cheerleaders, coaches and parents,

Aspen View Public Schools is pleased to welcome cheer teams from across the province to the Alberta Schools' Athletic Association (ASAA) High School Provincials, hosted in Athabasca by Edwin Parr Composite School, from April 7-8, 2017.

Edwin Parr Composite School is well into its second decade of active participation in high school cheerleading, and has built a legacy through the expansion of successful cheer programs at both Landing Trail Intermediate School and Whispering Hills Primary School. We are so very proud of the cheer programs at these schools, of the dedicated coaches who lead them, and of the athletes who participate.

Cheerleading is unique sport in the way that it fosters the values of fitness, teamwork, sportsmanship and inclusion. I am sure that each school represented at this weekend's competition feel, as we do, that its cheer teams are wonderful ambassadors for both their school and their community.

On behalf of Aspen View Public Schools, I wish all of the participating teams good luck and safe travels, and trust that you will enjoy your stay in Athabasca.

Sincerely,

Mark Francis
Superintendent of Schools

To the Cheer teams, coaches and guests,

The Athabasca District Chamber of Commerce would like to welcome the cheer teams participating in the ASAA High School Provincials hosted by our own Edwin Parr Composite School.

Cheer teams are great ambassadors of team building, sportsmanship, positive attitude and community spirit. It is through events like this that awareness and appreciation for all the hard work and dedication of all those involved is gained. The youth of today become the leaders of tomorrow and these youth are a shining example of that.

Good luck to all teams and coaches but most importantly have fun.

We hope that you enjoy your stay and what our town has to offer and return soon.

Best Regards,

Todd Dutchak
