at Trochu Valley School.

Competing at an Alberta Schools' Athletic Association high school provincial championship is the culmination of years of practice, commitment and dedication on the part of student athletes and coaches. It is in recognition of these outstanding efforts that I welcome you to the 2015/2016 ASAA 1A Girls Basketball Provincial Championship, hosted by Trochu Valley.

# welcome

The significant volunteer time committed to this event by members of the local championship organizing committee will ensure that you are treated especially well this weekend. I wish to thank event chair Karen Nakaska for taking on the mammoth task of hosting. The efforts of Karen, the staff, students, parents and friends from the Trochu Valley community should be recognized and I encourage athletes and coaches to take a few moments during the tournament to say thank you to your hosts.

The ASAA is proud to be associated with student athletes and coaches, and we know many of these individuals either are, or will be leaders in their schools and community. I challenge all athletes, coaches and spectators to promote the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship – both during competition and outside of the competitive arena. You are role models who we trust will celebrate your success with humility and defeat with grace. What a great opportunity you have to show everyone the positive correlation between school athletics and positive character development.

I want to acknowledge and thank the ASAA's Senior Partners: Alberta Milk and SUBWAY®, Major Partners: Morgex Insurance and Entripy Shops and our Suppliers, which are listed throughout this championship program, for their ongoing support of the ASAA and student athletes across the province. Their support of the ASAA enhances the provincial championship experience.

Have a fantastic time at this championship; I trust you will take home memories that will last throughout your lifetime.

Welcome to Trochu Valley School!

On behalf of the students and staff of TroVal, I would like to congratulate you on your hard work and dedication to this sport. You are the best teams in Alberta and this, alone, deserves celebration.

We are truly honored to be hosting this event. We extend to you our warmest welcome and hope you thoroughly enjoy your time in our community. An event of this calibre would not be possible without countless hours put in by a strong team of dedicated volunteers. We greatly appreciate the time, energy, and financial support received from students, staff, parents, community members and businesses in Trochu, Kneehill County, Golden Hills School Division, and the surrounding areas.

We all hope this weekend brings amazing athleticism, sportsmanship, and enjoyment to all athletes, coaches, families, and fans. Good luck to all teams!

# Athletes' Oath

"In the name of all competitors, I promise that we shall take part in these Provincials in the true spirit of sportsmanship. We promise to respect the sport of basketball and the rules that govern it by playing fairly and honestly. We promise to show the same respect to the officials and the calls that they make. We pledge to respect our coaches, listen to their instruction and strive to meet the goals they have set before us. We also promise to encourage our teammates and help them play to the best of their ability. We promise to respect our opponents as we all strive for victory... and to understand that it is striving that is important and not the victory. We promise that this will be a drug-free event and we pledge to never use performance enhancing drugs. We pledge to use our gifts and abilities in basketball to build integrity, self-respect, perseverance, cooperation, a sense of justice, teamwork and responsibility within ourselves.

## The Case for Sportsmanship

"The ideals of good sportsmanship, ethical behaviour and integrity should permeate all Interscholastic athletics in our community. In perception and practice, good sportsmanship shall be defined as those qualities of behaviour which are characterized by generosity and genuine concern for others. Our athletic fields should be the laboratory to produce good citizens reflecting fair play in every area of life."

Expectations of Fans	Positive Behaviour	Unacceptable Behaviour
Game attendance is a privilege not a license to verbally assault others or to be obnoxious. Respect decisions made by contest officials. Be an exemplary role model by positively supporting teams in every manner possible, including content of cheers and signs. Become aware of the purpose and rules of the ASAA to keep winning in its proper place. Respect fans, coaches and participants. Be a fan...not a fanatic! Recognize outstanding performances on either side of the playing field.	Applaud during introduction of players, coaches and officials. Accept all decisions by officials. Shake hands with opponents at the end of the game, regardless of the outcome. Treat competition as a game, not a war. Search out opposing participants to recognize them for outstanding performance or coaching. Applaud at the end of the contest for performances of all participants. Demonstrate concern for injured players, regardless of team. Encourage displays of sportsmanlike conduct.	Yelling or negative chanting or gestures towards opponent. Booing or heckling an official's decision. Criticizing officials in any way; displays of temper with an official's call. Taunting or trash talking. Refusing to shake hands or to give recognition for good performances. Blaming loss of game on officials, coaches or participants. Laughing or name calling to distract opponent. Using profanity or displays of anger that draw attention away from the game.

After appearing in the 1A Provincial Tournament last year, the OKCS Royals were looking forward to a successful and exciting 2015-16 campaign. Injuries to two key post players tempered expectations, but the team truly coalesced under the leadership of their other returning players and the contributions of the new girls who joined the squad. A season filled with thrills and spills culminated in the Royals earning a wild card berth into what promises to be an exciting and competitive provincial championship.
