

2016/17 PROGRAM

Alberta Bowl

November 25-26, 2016

Hellard Field, Shouldice Park, Calgary

Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 Alberta Bowl being hosted by the Calgary Senior High School Athletic Association.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event chairs Ralene Goldade and Wayne Meadows for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntripyShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province.

Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

CSHSAA

Athletics since 1913

The Calgary Senior High School Athletic Association believes that interscholastic athletics, as a recognized part of the school program, is educationally sound and will enhance the physical, mental, emotional and social development of young people. The Association promotes safe and fair competition for all students of member schools by offering a balanced program of quality learning experiences in a competitive sporting environment.

On behalf of the Calgary Senior High School Athletic Association (CSHSAA), it is my pleasure to welcome all participating teams and their supporters to the 2016 Alberta Bowl. We recognize that each and every team participating in this year's finals has earned their place through commitment, dedication and hard work. Well done!

I know that the value of high school athletic programs such as football, extends well beyond the playing field and the season of the sport. It is hoped that all players will take their experiences this season and apply the lessons they have learned to their everyday lives – strengthening their leadership, citizenship and character.

The high school sport of football would not be possible without the dedication and support of many people. I would like to acknowledge and thank our coaches, trainers, field volunteers and of course our parents for their commitment to the sport and to our Alberta students. I would also like to thank all members of the CSHSAA. Staff from every high school has made a significant contribution to the organization and running of these provincial championships.

Congratulations to all participating teams. The best of luck to each of you!

Five Games that Changed High School Football in Alberta

Written by Tim Enger

In 1895 the first ever football game was played in Western Canada between the towns of Fort Saskatchewan and Strathcona in what was to become the Province of Alberta. It's not known the level of football that was played that day but it wasn't until 1912 when a true high school league was established in Calgary with Mount Royal College being the first champion. In 1922 Edmonton followed with a five team league with the schools of Victoria, Strathcona, Eastwood, Westglen, and St. Josephs competing. Today over 120 high schools across the province now offer football as a part of their athletic program with the biggest recent growth coming at the 6-man and 9-man levels.

The sport of football at the high school level in Alberta has slowly evolved over the years to become a powerful force in high school athletics across the province but it wasn't until 1985 that a proposal to develop high school football provincials came to be. Even then it wasn't easy to get the ball rolling. Not every league bought into the idea initially and the weather was a big factor early on, but here are five games that changed the face of football at the high school level forever:

1) November 9, 1985: Harry Ainlay Titans 25 Wetaskiwin Sabres 6

A sparse gathering at old Clarke Stadium in Edmonton witnessed the first ever Provincial Tier I playoff game between the champions of the Edmonton and Central Alberta Leagues. Lead by future Calgary Stampeders linebacker Mark Singer, the Titans outlasted the Sabres lead by quarterback Dan Gusdal. A week later the Titans were scheduled to meet the L.C.I. Rams in the first ever Provincial Championship Game but severe cold caused then ASAA Football Commissioner Larry Wilson to call off the finals and declare co-champions. This could have been the end of the line for Football Provincials through the ASAA, but Commissioner Wilson pressed on and next year saw the event played to completion with a thriller of a Tier I final between the Salisbury Sabres and L.C.I. Rams that saw the Sabres break a 15-15 tie on a fumble return for a touchdown late in the game to eventually win 23-15 as the highlight game.

2) November 17, 1990: L.C.I. Rams 44 St. Francis Browns 0

Provincials were 5 years old before Calgary finally entered a team. The Rams had won the previous two Provincial Tier I titles but conventional wisdom had it that without representation from Calgary or the Edmonton Public League (which had pulled out two years earlier) it really was a title in paper only. Kaboom! In the Provincial Tier I semi-final, with the Sportsplex Field in Lethbridge packed the home town Rams - lead by linebacker Brett Walters - blew apart the myth of big city superiority in a game that would see the Rams outgain the Browns on offence 595-96 and only see the Browns cross mid-field twice in the game. Calgary would get their revenge a year later with the Henry Wise Wood Warriors beating the Rams in Calgary in the semi-final then capturing the Provincial Title a week later with a 36-0 thrashing of Archbishop O'Leary. However, the damage had been done as no longer could the big city schools pretend that Provincials didn't matter and simply claim superiority by their location. There was competition for them beyond their borders and on more than a few occasions in the future it would be too much for them to handle.

3) November 22, 1997: Raymond Comets 39 St. Albert Storm 0

Oh yes we can! The Comets ascent into Tier I was a remarkable thing to watch as this tiny school of 250 after having won three straight Tier III titles from 1992-94 moved up to compete with the big schools starting in 1995. It only took two seasons before they won their first Tier I Championship in 1996. In 1997 they reached the final again and faced the powerful St. Albert Storm that drew athletes from three high schools totaling a population more than ten times that of Raymond's. St. Albert was undefeated, had won the Edmonton Metro League going away, and the previous week has easily defeated the Edmonton Public Champion Parkland Predators. This would be the Comets comeuppance as many observers considered their 1996 win a fluke in a down year for high school football and they would get blown away by the Storm. It was a blowout all right as brothers Brett and Brock Ralph, who would both go on to play in the CFL, lead the Comets to a total domination of the larger squad and the legend of Raymond was born proving that any school that puts their mind to it can accomplish great things.

4) November 16, 2002: Bev Facey Falcons 13 Strathcona Lords 10

Things weren't going well for the Edmonton Metro Tier I teams in Provincials. After the Edmonton Public's re-entry into the Provincials in 1997 the Metro managed to win the first two clashes between leagues in the Northern Tier I Finals but it had been all Public since 1999 and the margins of victory were getting bigger. Coming into the 2002 Northern Final the expectations weren't much better for the Metro's rep - the Bev Facey Falcons - as they were taking on the two time defending Tier I Provincial Champion Strathcona Lords. What unfolded was the first true upset for the ages in Alberta high school football provincials as the Lords star runningback Tyler O'Gorman broke open a tight game late in the fourth quarter on a 74 yard TD run only to see Falcons quarterback Brendan Maher lead Bev Facey right back down the field for the last second touchdown that secured the victory and raised the media profile of Provincials in the Edmonton area and the province for years to come. The Falcons would go on to defeat the L.C.I. Rams the following weekend to complete the dream season.

5) November 24, 2007 Sylvan Lake Lakers 35 Drumheller Titans 14

It wasn't so much the score or the level of play but what this game represented. The 2007 ASAA Provincial Tier IV championship featured two schools that were born during the Provincials era. What they represented was the success of the game in growing to all parts of the province. In 1985 high school football was mainly a big city sport save for a cluster of teams in Central Alberta, the Peace Country and the South. The concept of "tiering" which was formalized in 1989 and reshuffled in 1999 which created levels of play in Provincials based on school size, has allowed the growth of the sport in the smaller schools to go like gangbusters. Prior to that there would have been little reason for schools like H.J. Cody in Sylvan Lake or Drumheller High School to even consider creating a team as all that was waiting for them was a regular season full of games vs. bigger schools. In going from 60 teams in 1985 to 120 this season high school football is alive and well and has the ASAA and High School Provincials to thank for it.

Alberta High School Football Trivia

**ST. FRANCIS BROWNS****BEV FACEY FALCONS****TIER I Provincial Final****#3 St. Francis Browns vs. #1 Bev Facey Falcons**

Sat., Nov. 26 – 6:00 p.m., Hellard Field at Shouldice Park (Calgary)

Well this is awkward. The current #1 ranked team in the Province vs. the team that started the season with the #1 designation and carried it for most of the season. The good news is that both teams now have a chance to solidify that claim on the field this Saturday. It will be interesting to see how both teams respond as they have taken very different paths to this point. The Falcons have cruised to this point. The only time they have trailed this season was during the first quarter in the North Final vs. Red Deer's Notre Dame. And it wasn't for long as they rang up a similar margin of victory as they have against all comers with no one coming within three TD's of them by games end – including four teams ranked in the Top 10. The Browns on the other hand were cruising along at a similar pace until Oct. 21 when they were upset by the Henry Wise Wood Warriors 28-16. Since then they've been in dogfights, including last Saturday's come from behind win over the Raymond Comets where they trailed 18-13 going into the fourth quarter before pulling it out 29-18.

Another interesting point in this game is fate of Chuba Hubbard. The star tailback for the Falcons, and future Oklahoma State Cowboy, now sits with 2,095 yards and 24 TD's rushing on the season. This is amazing in itself, but despite all the success he is missing one thing on his resume – a Provincial Championship. Despite being an overwhelming force since Pee-Wee he has always run into a brick wall at Provincial Finals. In 2013 while a Pee-Wee, despite scoring 8 TD's in the Provincial Final, his Sherwood Park Sabrecats still dropped the game 78-60 to the Calgary Cowboys. Two years later in a lower scoring affair, Chuba's Sherwood Park Rams lost the Provincial Bantam Final to...(wait for it)...the bantam version of the Calgary Cowboys 25-16. Take a wild guess where most of those Calgary Cowboys wound up going to high school? Yes, Chuba has seen the names Joe Dutton, Jacob Izquirdo, etc. before, and while the Browns player's shelves are dripping with Provincial Title gold medals, Chuba, and a lot of his teammates have a similar haul – but all silver thanks to the core of St. Francis's players. Is this the year the Sherwood Park core finally breaks through the Cowboys/Browns wall, or will the traditional laden Browns powerhouse complete the sweep? We'll find out Saturday.

ST. JOSEPH'S CELTICS

TIER II Provincial Final

#2 Foothills Falcons at #1 St. Josephs Celtics

Fri. Nov. 25 – 7:00 p.m., Hellard Field at Shouldice Park (Calgary)

The feature game on Friday night at the Alberta Bowl will showcase a rematch from last year's Tier II Title Game. Rematches are usually fun, but this one comes with a particular twist in that last year's game wasn't even close. 69-15 was the final tally last year as the Falcons' scored early and often blowing the Celtics right off the field. The funny thing was that 2015 was supposed to be the high-water mark for both teams as they both graduated some generationally top level talent after that game and yet here they find themselves again facing each other in the Final again. That speaks volumes to the strength of the programs. The Celtics in recent years have always made it a practice of barn storming all over the province in search of games to sharpen their sword beyond the Mighty Peace League where everyone of their league opponents comes from a lower Tier. This has come a great cost and time as the one Achilles Heel that always haunts them is the distance they have to travel from remote Grande Prairie. Still, you can't argue the results, with the Celtics making their third straight appearance in the Alberta Bowl, having won it all in 2014 and the game they'd sooner forget from 2015. A strong line on both sides of the ball anchored by Team Alberta standouts Austin Dunbar, Brennan Alde and Marshall Tunke may control things for them on Friday. Both of their Provincial games so far have been low scoring with tight wins over #5 Austin O'Brien and #7 Lloydminster to get to this point.

On the other side of the ball is another study in consistency. Since 2000, the Falcons have been the most prolific attendee in the Alberta Bowl from the South side of the draw with 2016 being their 8th trip winning five Championships along the way. Their travel log may not match the Celtics in distance but they too rely heavily on exhibition games as their Big Rock Schedule is only so long being a four-team league. Defence is the name of the game with the Falcons this year, with standout linebackers Keaton Goosen and Tyler Goings the primary reason they were able to overcome the tough #3 Medicine Hat Mohawks and #4 Hunting Hills Lightning on their way to the Big Dance. The opened the year with two losses but since then have reeled off nine straight wins and are looking to add trophy #6 to the trophy case in the hallways at Foothills this Friday.

COCHRANE COBRAS

HOLY ROSARY RAIDERS

TIER III Provincial Final

#1 Cochrane Cobras at #2 Holy Rosary Raiders

Sat. Nov. 26 - 2:30 p.m., Hellard Field at Shouldice Park (Calgary)

Death, taxes and a Provincial Final appearance by the Cochrane Cobras. Pretty much life's guarantees. Well, almost when it comes to Cobras. Since the readjustment in Tier sizes in 1999 which firmly placed Cochrane in Tier III, the Cobras have been in this game 11 times, winning 9 of them. And it's not just that they win the game, it's the margins by which they do. When they win, they win big. Their average margin of victory in those 9 wins is almost five touchdowns (33.4) and that includes their only nail biter, a 7-5 win over Sylvan Lake in 2008.

Their opponent knows this only too well, having been the victim of just such an experience last year, as the Holy Rosary Raiders took it on the chin 55-0 at the hands of the Cobras in the 2015 Alberta. Undaunted they have risen to the challenge and have been more dominant than ever in the Wheatland League this year, going undefeated and winning their third straight league championship. As well, their average margin of victory in the post season (including League and Provincial playoffs) has been 36.8. If not now, when?

This game can also be looked at as the Battle of the Gun Slingers, as it features the only time both quarterbacks have come from the previous year's Team Alberta. Cochrane's Tae Gordon and Holy Rosary's Tommy Yanchuck were the two QB's on last summer's Team Alberta that competed in the Football Canada Cup and finished 4th. Both are classic QB types with Yanchuk more in the mould of drop back specialist Tom Brady while Gordon's scrambling and ability to extend plays brings back memories of Doug Flutie. More of the same for Cochrane this Saturday or will the Raiders erase last year's memory and win their first Tier III title?

STETTLER WILDCATS

TIER IV Provincial Final

#6 Bow Valley Bobcats at #5 Stettler Wildcats

Sat. Nov. 26 – 11:00 a.m., Hellard Field at Shouldice Park (Calgary)

So much for rankings J. The wild a woolly world of Tier IV has produced a lot of contenders this year but when the smoke cleared this past Saturday the #5 and #6 teams are representing their Regions having both won upsets over higher ranked teams last week. Both programs are no stranger to this event but it has been a while. In 2002 and 2003 the Bow Valley Bobcats were a powerhouse winning two straight Tier IV Provincial Titles, but since that time a smattering of Provincial appearances and that's it. Considering most of their current players were still in diapers at that time it probably doesn't really register. Still, it's been a great run this year to get back to the mountain top, going 9-2 so far and bursting out of the long shadow created by their crosstown rivals, the Cochrane Cobras. A balanced attack lead by QB Austin Javorski, RB Brad Hillier, and receiver Rylen Waugh has averaged just over 4 TD's a game in beating the #2 ranked Willow Creek Cobras and #3 ranked W.R. Myers Rebels to get here so they are good to go.

On the other side are the Stettler Wildcats, who came late to the Tier IV party this year, after their school population numbers at the end of September confirmed they could drop down a Tier from their traditional Tier III where they had previously advanced to the Alberta Bowl twice in 2007 and 2011. That 2011 game saw a Bizarroworld type game where the Wildcats hung a blowout on the Cochrane Cobras 55-14. This year's squad hope to do the same to the Bobcats, with rookie Grade 10 QB Carson Neitz, forced into action after a mid-season injury to Grade 12 starter Jordan Lane doing a masterful job distributing the ball to the leading rusher in the Rural Conference of the Central League, Teron Garbutt, and star receiver Alex Leblanc. Should be fun on Saturday morning.

6-MAN Provincial Final

#1 St. Joseph's Crusaders at #4 Rimbey Spartans

Fri. Nov. 25 - 4:00 p.m., Hellard Field at Shouldice Park (Calgary)

Well, if the Tier II and Tier III games can be rematches from last year – what's one more? 6-Man football continues to grow at the high school level and two of their best take to the field on Friday. Last season ended with these two powerhouses meeting up in the Alberta Bowl with the Crusaders breaking the streak of two straight titles by the Spartans with a 46-28 victory in Edmonton. This year these teams met once in the regular season with the Crusaders taking that game in Brooks with a 52-34 victory. The Crusaders are very well rounded with arguably the best QB at that level, Hugo Silva calling the plays while Onen Johnson leads the defence. The special teams aren't too bad either as Fernando Echeverria is always a threat to take back a punt for a TD. Countering them is the strong team oriented no-stars approach by the Spartans who, led by runningback and Provincial 6-Man All-Star Bryce Sargeant.

The Crusaders trip to the Alberta Bowl featured wins over #7 Breton and #3 Millwoods Christian while the Spartans defeated #5 Holy Redeemer and upset #2 Buck Mountain to make their fifth straight appearance. Fast break football at its best at Hellard Field on Friday.
