Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 ASAA Curling Provincial Championship being hosted by Catholic Central High School in Lethbridge, AB.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event chair Shawn Lebleu for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntripyShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province.

Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

A Message from the Mayor

On behalf of the City of Lethbridge, I am pleased to welcome everyone to the ASAA High School Curling Provincial Championships here in Lethbridge. We are proud to host this event in our new ATB Centre in its very first year of operation.

LEGISLATIVE ASSEMBLY OF ALBERTA

A Message from MLA Lethbridge West, Hon. Shannon Phillips

I am pleased to welcome everyone to the ASAA Provincial Curling Championships in Lethbridge, Alberta. It is wonderful to have you here. Curling is a part of this area's heritage, with the Lethbridge Curling Club opening in 1887, and many thousands of people participating in the sport since then. Curling requires physical skill, strategic thinking, and an attitude of fairness and camaraderie. You know it as the Spirit of Curling, and I am glad to have so many wonderful athletes of this fine tradition displaying their spirit here today.

Good curling,

Shannon Phillips, MLA
Lethbridge-West Constituency

A Message from Principal of Catholic Central High School

Welcome to the Alberta Schools Athletic Association 2017 Provincial Curling Championship. It is an honour for Catholic Central High School to assist in hosting this important event.

Curling is very much the quintessential team sport, requiring each athlete and coach to develop individual and team skills with a focus on precision, strategy and timing. The young athletes competing here this weekend are not only participating in a great Canadian sport, but also developing and showcasing their ability to function with a cohesive group, and to celebrate with others the result of their hard work and attention to excellence. Their experiences during competition, practice and travel have ensured they are developing skills and talents that will benefit them well past their high school years.

Thank you to all those who have also demonstrated precision, strategy, timing and team work in putting together this event. Volunteers, sponsors, coaches, teachers and parents have come together this weekend for the benefit of our students. In return, we know they will give us their best! That is the true gift of participation—that we all learn to come together for a common goal, each person contributing something for the whole.

Thank-you and have a wonderful weekend in Lethbridge.
