3. Instructing any bystanders to leave the injured student alone.
4. Not removing the student athlete's equipment unless emergency treatment is required e.g. CPR or artificial respiration
5. Assess the injury; evaluating the severity of the injury and decide if further assistance is required.
6. If an ambulance is not needed, then decide what action is to be taken to remove the injured student athlete from the playing surface
7. If an ambulance is required: request assistance from the facility manager by having this person call an ambulance with the all relevant information (nature of emergency, precise location, telephone number of location) and have them report back to you with estimated time of arrival, then send them to the access entrance to wait for the ambulance.
8. Once the call has been placed, observe the injured student athlete carefully for any change in condition and try to reassure the injured student until professional help arrives
9. Do not provide the injured student athlete with food or drink, unless otherwise indicated by situation e.g. diabetes, hydration...

- 2) For a coach to address, or permit anyone on his/her bench to address uncomplimentary remarks to any official during the progress of a provincial championship, or to indulge in conduct that might incite players or spectators against the officials, is a violation of the rules of the game and must likewise be considered conduct unworthy of a coach.
- 3) Behavior by any member of a team, including all bench personnel, deemed objectionable conduct as defined in the rulebook shall be immediately subject to the penalty prescribed in the rulebook for such an offense.

Alberta Schools Athletic Association Code of Ethics:

Adults who work with students in interscholastic activities should present a positive role model for them to emulate. Students who represent a school in interscholastic activities must be creditable school citizens.

The Association recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Association presents the following general guidelines.

Fair Play and Sportsmanship: All competitions must be conducted with a high standard of courtesy, fair play and sportsmanship. All those involved share this responsibility.

- A. **Coaches** - The coaches must demonstrate qualities of courtesy and good sportsmanship. These are evidenced by proper acceptance of officials' judgment, positive encouragement of player performance and bench behavior.
- B. **Athletes** - Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgment and by showing proper respect for opposing athletes as well as for teammates.
- C. **Cheerleaders** - Cheerleaders must demonstrate courtesy and good sportsmanship by the appropriateness and timeliness of the cheers they lead, respect for the other cheerleaders and athletes, and their attempts at effective crowd control.
- D. **Spectators** - Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of officials' judgment. Artificial noisemakers are not permitted during provincial championship tournaments/events. These noisemakers may include but are not limited to: air horns, cowbells, plastic tube horns, garbage can lids, etc. The provincial championship host shall have the authority to eject from the competition facility individuals who, following a warning, refuse to comply with this requirement.
- E. **Administrators and Teachers** - Administrators and teachers must demonstrate courtesy and good sportsmanship by their positive examples.
