# Ranking Guidelines

## Rankings

The goal of creating rankings is to:

- Create the most balanced and competitive provincial draw ensuring each team and zone is represented fairly.
- Inform teams where they stand in relation to their competition.
- Create buzz surrounding football in our province.

### First Rankings

These rankings are intended to build a solid foundation. The order of criteria will be:

- Body of Work
- Head to Head
- Common Opponents

### Ranking Timeline

#### First Ranking Period:

Scores are reviewed weekly from the beginning of the season to the end of September.

Communication between rankers commences after the opt-up deadline to confirm eligible teams and to discuss initial observations.

Conference call on the first Monday of October to determine the top 10.

#### Final Ranking Period and Provincial Seeding:

Scores continue to be reviewed weekly throughout October with final rankings determined in early November.

Provincial seedings are based on the top 8 teams from the final rankings. Seedings may differ from final rankings to ensure no zone playoff rematches in opening round games.

### Final Rankings and Provincial Seedings

The criteria for the final rankings will be:

- Body of Work
- Zone Championship Results
- Head to Head
- Common Opponents

It is the job of the ranking committee to produce the most competitive provincial draw based on the top 8 ranked teams. The goal is to have a balanced draw that best reflects the entire season. The seedings will avoid opening round games matching up two teams from the same league or zone provided that the integrity of the draw is not compromised.

### Role of the Ranker

- Communicate with the other rankers and the commissioner during each ranking period to ensure their region is represented accurately in the rankings.
- Present an unbiased view of the results.
- Construct regional rankings that best represent the results.
- Determine an overall provincial ranking based on results.
- Create the final seedings with the other rankers and the commissioner.
- Create a provincial draw that is fair.

# Ranking Criteria

## Body of Work

The following components, not in order of importance, are factored in when looking at a team's overall body of work:

- Overall Record
  - What was Team A's win/loss record?
- Strength of Schedule
  - Did Team A's overall record include games against quality opponents? (Top-5 ranked Tier I or Top-3 ranked Tier II opponent)
  - What was Team A's record against quality teams?
  - Were Team A's quality wins at the beginning of the season or near the end?
  - Did Team A make an effort to play teams from outside of their zone?
  - What bad losses did the team suffer?

## Head to Head Results

Head to head matchups are critical when comparing teams. However, they do not trump everything else that occurs during the season. If Team A defeats Team B in August, that result will be used when ranking the teams during the first ranking period. During the final rankings, the result will count towards a team's body of work and will be used to break a tie for teams.

## Common Opponents

Similar to head to head results, common opponents will be used when comparing two teams. It is too difficult to start with head to head results and common opponents when completing the rankings. They are useful though when determining where a team deserves to be ranked after evaluating the body of work and strength of schedule.

**\*Each ranker will use these guidelines to assess body of work. The individual ranker will bring their own subjectivity to the rankings with emphasis placed more on certain areas of the criteria.**

## Appeal Process

Schools wishing to appeal the final rankings and/or draw will be able to in accordance with the timelines established in the official ASAA Football Rankings

### 2023

Sunday, November 5 @ 8:00pm - Final Rankings Posted

Monday, November 6

- 2:00pm - Deadline to submit appeal
- 7:00pm - Pre-scheduled meeting of the committee to review any appeals

Appeal must be accompanied by a \$50 payment. The ASAA Football Commissioner will consult with the rankings committee based on the information available, and, with the approval of the Executive Director, will render a decision to the school. If the appeal results in a change to the rankings and/or draw and the subsequent inclusion of the appellant school, the \$50 will be refunded to that school. Appeals will not be considered unless the appellant has submitted a complete season record by the ranking submission deadline.
