Rugby

Tier I-III Rugby June 8-9, 2018

Calgary Senior High Schools Athletic Association

CANADA 150

Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

I would like to extend a warm welcome to all students, coaches and spectators to the 63rd year of the ASAA coordinating high school provincials. From our sole sport of boys basketball in 1956, to 12 sports involving male and female athletes today, we have come a long way. We have many to acknowledge for this longevity and success.

First, I want to congratulate all of the student athletes in Alberta for their dedication to their school via their involvement in school sport. I especially congratulate those fortunate enough to have made it to this provincial championship; I hope this is a positive and truly memorable life experience for you. Second, I want to both acknowledge and thank those who coach our student athletes – teacher and non-teacher coaches alike. Because of you, Alberta's high school student athletes are given every opportunity to be successful in sport, in school and beyond; you are helping equip them with the tools to lead a successful life after leaving high school.

A sincere thank you goes out to your local organizing committee who have worked extremely hard under the guidance of ASAA staff to ensure that the experience for all involved is second to none. Specifically I wish to thank Peter Zajiczek from Western Canada High School for chairing this event, as well as Ralene Goldade from CSHSAA and the local host committee and all volunteers for their involvement and support. I wish to acknowledge that this event is being hosted on Treaty 7 territory, traditional lands of First Nations and Métis people.

I also want to thank the ASAA's Platinum partners, Alberta Milk and SUBWAY, Gold partner Morgex Insurance, ASAA's funding partner Alberta Sport Connection and the Official Suppliers listed in this program. Their support of high school athletics in Alberta is greatly appreciated.

My final message is about ethical and sportsmanlike conduct. I encourage all involved in this event: coaches, athletes, spectators, volunteers, etc. to appreciate that this is an event being held in an educational context and involves youth mostly aged between 15 and 18 years of age. Sportsmanship and respect is a hallmark of ASAA Programs. Let's keep it that way.

John Paton, Executive Director

[Alberta Schools' Athletic Association](#)

Percy Page Centre 11759 Groat Road NW, Edmonton, AB T5M 3K6

CSHSAA

Athletics since 1913

On behalf of the Calgary Senior High School Athletic Association (CSHSAA), it is my pleasure to welcome all participating teams and their supporters to the 2018 ASAA Rugby Provincial Championships. We congratulate you for your efforts on an outstanding season. All teams should be proud of their accomplishments. We recognize that each and every team participating in this year's finals has earned their place through commitment, dedication and hard work. Well done!

I know that the value of high school athletic programs such as rugby, extends well beyond the playing field. It is hoped that all players will take their experiences this season and apply the lessons they have learned to their everyday lives – strengthening their leadership, citizenship and character. The lessons learned on the rugby pitch will serve you for years to come.

The high school sport of rugby would not be possible without the dedication and support of many people. I would like to acknowledge and thank our coaches, trainers, field volunteers and of course our parents for their commitment to the sport and to our Alberta students. I would also like to thank all members of the CSHSAA. Staff from every high school has made a significant contribution to the organization and running of these provincial championships.

Congratulations to all participating teams. We wish you the best of luck!

Play Hard and Play with a Respect for your Opponents!

Sincerely,

Mike Bolder

Mike Bolder – President

Calgary Senior High School Athletic Association

ORIGINS OF RUGBY

The Legend of William Webb Ellis

In South Africa, rugby and soccer are the two most passionately followed sports, yet many people are actually unaware that initially these sports, according to legend, were once one and the same.

Here's how the legend goes: During the 10th century in England, the beginning of a ball sport began to emerge. Groups of people would participate in games that involved kicking and throwing an inflated pig's bladder through the streets and squares. Villagers would use any means to get the ball across the "goal" in order to claim victory for their community.

During the 12th and 13th century; however, these ball games were brought to a halt by ruling authorities. Not due to the violence and destruction of property that these games incited as one may presume, but rather because these games were a distraction from military training!

It was only in the late 1700's that these ball games were reintroduced at schools – and for the first time a rule was introduced – you couldn't run with the ball.

According to this legend, in 1823 a young and enthusiastic player named William Webb Ellis, ran with the ball during a game being played at Rugby School, and the crowd loved the idea! After having broken the only rule of ball sport, there was much debate surrounding whether this should or shouldn't be allowed.

It was only in 1863, a good 40 years later, that the "ball sport" was divided into two official sports – soccer and rugby.

While the story of William Webb Ellis has not been conclusively proven, in 1987 the Rugby

World Cup trophy was named the William Webb Ellis Cup and a statue of Webb Ellis was erected outside Rugby School in Warwickshire, England. Clearly someone believes the legend!

Started early season, practicing indoors. Unfortunately the weather didn't provide much of a break, headed into Lynn Davies tournament in Sherwood Park, finishing 3rd. Our boys finished 4-0 in the regular season, playing against some stiff competition. Won against Bishop Grandin in a hard fought semi-final and unfortunately lost a grind of a game in the city championship.

Henry Wise Wood Senior Boys Rugby team managed an undefeated record in a short, but very competitive Calgary Senior Boys Division 1 regular season. Gutsy performances, and a can-do attitude, were the difference in three of their four victories which were won by three points or less! Eventually losing in the semi-finals to the Calgary City Champions, the Wise Wood Warriors are very pleased to have been invited to the 2018 ASAA Provincials, thereby extending their season of play!

After finishing the regular season undefeated, the Notre Dame Pride lost a close 2 point game in overtime of the Senior Girls Div 1 City Championship. As city finalists, the team is looking forward to representing the school and the Calgary Zone at Tier 1 provincials for the first time in Notre Dame history.

This is the first year that the Browns girls have moved up to Division 1 in the CSHSAA after winning the Division 2 city championship last year. The goal was to be competitive this year, but the Browns had different ideas, earning 3 wins and 1 loss in regular season play. We also finished 2nd at the Clearwater Cup 7's tournament. We are hoping for the chance to redeem our playoff loss in the Provincials this year.

Proudly supporting Alberta's athletes.

In partnership with the ASAA, Subway's Peel-A-Deal Fundraising Card Program has raised over \$670,000 for ASAA Member Schools athletic programs and ASAA scholarships.

The Winston Churchill Boys Rugby program has a long history, beginning back in 1985. Since the teams inception they have experienced quite a bit of success, winning the Southern Alberta High School Rugby League Championship 17 times. They have also won 6 Provincial Championships since rugby became an ASAA Provincial sport. They look forward to the high quality competition they will see again this year at the Provincial tournament in Calgary.

After losing one game at the start of the season 15 - 7 against our Tier 1 rival, we pulled up our socks to win consistantly throughout the rest of the season. Our League record is sitting 6 wins to 1 loss. Last year Hunting Hills boys suffered a lot of injury and struggled at bonding over Rugby. This year the boys have focused on practicing hard, ball skills and team bonding. We have a few seasoned Rugby players on our team and alot of athleticism which has helped us greatly to get to the Provincials this year.

In the beginning, our team consisted of 37 girls who barely knew what they were doing. Still though, we were all tentative and were not prepared for our first ice breaker tournament. We've dealt with many injuries throughout our season but built character. Through hard practices, our determination and communication grew. We earned our most valuable trophies in practices rather than in games. We gained confidence as well as statistical success. We started to "smell the blood" to making it "our game". We no longer have gator hands and are now relentless until the whistle blows. We all started off as 37 strangers trying to learn a sport to a big team learning each other's strengths. No matter what the score board says, we bite into that mouthguard, show some teeth, and always leave the field as a team, feeling proud to be wearing the St. Mary's jersey. #godsplan

Rugby culture has always been a huge part of Banff Community High School. This team's success has been built on the shoulders of five veteran grade 12 students and although the quantity of veteran leaders is low this year the quality of their leadership has been fundamental to Banff's success. This team is dynamic in its attack, loaded with speed in the back line and a incredibly tight defensive forward pack.

The Parkland Pacers attribute much of their success this rugby season by breaking out of our comfort-zone. We added several new players to our roster, and we played in a couple of new tournaments for the very first time. Our squad challenged teams that we never played before. And even though we were not always on the winning end of some of our games this season, the opportunity to learn from our mistakes was key in driving our team forward and taking us to Provincials this year.

It was a very positive season for W.R. Myers. The highlight of the year was our spring tour to Victoria, B.C. We played 2 games/scrimmages in our 10 day tour, winning one (where we had the fortune of playing at Shawnigan Lake School), and losing one. Also, we spent an entire morning at Rugby Canada, with the opportunity to watch the Senior Women train, then in turn conduct a training session with us. This was a huge honour. Our league season was also a success, finishing the year with a 3-3 record, and a birth in a 3rd consecutive provincial tournament, with the opportunity to win a 3rd Zone banner. I am looking forward to another provincial experience for the team, as it is a fantastic event that bonds a team. Good Luck to all players & teams!!!

The Banff Bears are no strangers to indoor practices, no field, late start to the season, and the first outdoor practice being the first game, but the girls team managed to pull off a 3 and 1 record in season play. We enjoyed once again playing in the Springbank 7's tourney and were happy that no grizzlies graced our field this year but still got our fair share of wild life and goose poop! With a tremendous learning curve and great growth and a lot of grit and determination, the girls managed to clinch the South Central Zone Championship. After a long winter of hibernation and many of the team playing for their 4th and final year together, the Bears are hungry and excited and ready to play with tons of heart and hoping to avoid flooding so we can get back on our field and on a scrum machine more than twice this season!

The County Central High School Rugby Program has been established for over twenty years. The girls program has had a history of successful Zone and Provincial competitions. Four years ago the program folded due to lack of coaches. Since then the program has been rebuilding and growing in strength, number and skill. In our league we finished with a 4-3 season securing a spot at Zones. We have a young team and the goal was to give them the experiences to show well at a provincial level tournament. We went to the Lynn Davis Tournament (which was literally our icebreaker this year, late start to the season due to weather). Hosted our Star Trek Tournament where we placed third. A rigorous season with a lot of dedicated athletes will spark success in any program. We look forward to challenge Provincials will set for us this year.
