Medicine Hat, Alberta

On behalf of Monsignor McCoy High School, and the City of Medicine Hat, we would like to welcome you to the 2017 3A Girls and Boys Provincial Basketball Championships.

Hundreds of hours of hard work, effort and commitment have gone into practices, games, tournaments and zone competition in preparation for this weekend. We wish you success and best of luck as you strive to reach your ultimate goal: "Provincial 3A Champions".

Thanks to our host organizing committee for their efforts in organizing this event. The support of our volunteers, students, parents, staff, sponsors and the community of Medicine Hat is greatly appreciated.

Finally, a thank you to all the players, coaches, officials, and parents for making it all possible. Without your continued support and efforts this would not have been possible.

Good Luck to All!

# Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 ASAA 3A Girls and Boys Basketball Provincial Championship being hosted by Monsignor McCoy in Medicine Hat.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event co-chairs Janice Laing and Robert Grisonich and their entire planning committee for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntrypShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province. Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

### **City of Medicine Hat**

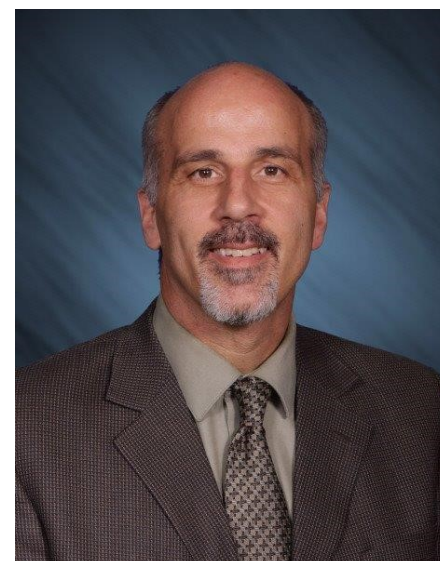

On behalf of City Council, I would like to personally welcome you to the 2017 3A Boys and Girls ASAA Basketball Provincials in Medicine Hat, where we all share in a ‘Sunshine State of Mind.’ Due to an unforeseen modernization delay in construction at Monsignor McCoy High School, the events are now being held at the Family Leisure Centre and Crescent Heights High School. Nevertheless, as a proud alumni of Monsignor McCoy, I am confident that your experiences with the host school and these events – will be second to none.

If the opportunity provides itself, please take some time enjoy all of the wonderful facets of this great community. In the meantime, I hope your attendance at the 2017 3A Boys and Girls ASAA Basketball Provincials will give you the chance to make some new friends, showcase ‘Team’ spirit and positive sportsmanship – and challenge to do your personal best! Best of luck to you and your team!

SOUTH

Coming back to defend our Provincial Championship was the goal of the 16/17 Rebels. Going into this year's provincial tourney our season record has been 27 wins and 4 losses. We are coming in as the South Zone Champion. We have competed in 6 tournaments this year, winning 5 of them and coming in 3rd in the other. We play in the very competitive Southern Alberta Basketball League and ended up in 2nd place behind and very strong LCI team.

We have a balanced mixture of Grade 10, 11 and 12 players. We have 5 of our players returning from last years Championship team and 2 of those players have now been to the provincial tournament all 3 of their high school years. We are hoping to be very competitive once again at Provincials this year and wish all the teams good luck.

EDMONTON Metro

The Beaumont Bandits have worked their proverbial tails off for the past 3 years to be here today. This season the girls have consistently brought a style of play that is fast paced, aggressive and well-rounded. The Bandits' season was composed of league play in the cut-throat Edmonton Metro League and their tournament circuit offered them the opportunity to sharpen their skills against much larger schools. The girls proved themselves to be competitors early in the year and have been able to maintain that success through their passion and admirable work ethic.

## Brooks Composite High School

The Sr Boys Basketball team kicked off their season with an exciting win against their cross-town rivals -- Saint Joseph's Collegiate -- in the first instalment of the Battle of Brooks. The Senior Buffalos soon after began their tournament play with a strong showing against the eventual #1 ranked 3A team in the province. Although they did not manage to pull off a win that game, the boys won their next two games in the tournament -- then continued to win every subsequent tournament game during their regular season; the Senior Boys finished as champions of 4 tournaments, including one hosted for 4A teams. The Boys in Blue and Gold maintained their fast-paced, high flying, run 'n' gun style of basketball throughout their South Eastern Basketball Conference league games, winning all but two games. They managed, nonetheless, to earn the revered title of League Champions, making history as the first Brooks Composite Sr Boys Basketball team to do so.
