Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2016/17 ASAA 2A Girls Basketball Provincial Championship being hosted by Prairie Christian Academy in Three Hills.

Significant volunteer time has been committed by your local organizing committee in the year leading up to this championship to make sure that every student athlete, coach and supporter are given the first class treatment. But it does take leaders to make an event like this happen and I would like to recognize and thank event chair Mike Callaway and his entire planning committee for taking on the huge task of hosting this championship. I encourage all participants to take a moment to thank the hosts personally for their outstanding efforts.

The ASAA is proud to be associated with student athletes and coaches; people who either are, or will become, leaders in their community. I challenge you to display that leadership by practicing and promoting the highest levels of ethics, integrity, sportsmanship and respect for others throughout this championship. When you win, do so with humility. When you lose, do so with grace. Make every effort to show everyone at the championship that high school athletes show great character at all times.

On behalf of the ASAA, I thank Platinum Partners Alberta Milk and SUBWAY, Gold Partners Morgex Insurance and EntripyShops, and our official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assist the ASAA in providing a better experience for student athletes across the province. Finally, have the time of your life at this championship; I trust you will take home memories that will live on in your heart and mind for decades to come.

The Sabres had a great year going undefeated during league play and winning the league championship for the 2nd year in a row. They battled at a number of tournaments walking away with three 2nd place finishes and one consolation. The girls played tough competition at Zones finishing 3rd, losing only to the top team. They are a defensive minded team with a "never give up" mentality. Combined with their shining spirits, enjoyment of each other and love of the game, they are worthy competitors.

The SJC Crusaders are an exceptionally small team with only seven players, and as a result they are in great shape! We participated in the SEBC league, which consists of all 3A schools except for us. We finished top 4 in 4 of 5 tournaments this season. The girls have worked hard, seen lots of court time and become a unified squad on and off the court. They are peaking at the perfect time. We look forward to the opportunity to represent the South Central Zone at Provincials. Good luck to all the teams here this weekend.

The Eagles are back at 2A Provincials and are excited to compete for the championship banner. Our team is led by a strong group of grade 12 girls that have played lots of basketball together. They are supported by a great group of grade 10 players who are the future of the team. We hope all teams enjoy the experience of playing at Provincials. Thank you to Prairie for stepping up to host the event.

This humble and hardworking group of young women has had a successful season of teamwork & growth. Relying heavily on tournament play, we had gold medal finishes at four invitational tournaments and captured the North West Zone title for the third consecutive year. Our team is a well rounded one, led by five seniors who will be greatly missed next season. Congratulations & best of luck to all teams competing this weekend.

We began the season with a small number of veteran players and a large number of new but excited and talented young ladies. As a rebuilding year, we concentrated on skill development and team unification. As the year progressed, there was exponential growth in the team as a whole, leading to success in games and tournaments. The gold medal eluded us at our home tournament and league playoffs, however, the increased confidence, hard work, leadership and excellent coaching (Jody Klassen) resulted in the North Central Zone Championship for the third year in a row.

This year's team is made up of young, very dedicated athletes. Having eight rookies meant we experienced many growing pains throughout our challenging schedule this season, which included tournaments in Vermillion, Athabasca, Edmonton, Calgary, and Banff. This team has continued to improve due to their commitment to team defence, and this year we won our first league title in over ten years and our first zone title in 24 years.

The Patriots are a strong squad who have invested wholehearted effort into constantly improving their game and have managed to turn a lot of heads this season. They experienced some early success winning gold at the Fort High Tournament and have been working to keep that momentum going. The team battled their way through league play this year, narrowly missing out at a chance to play for the league championship, but bounced back to capture the zone title. These girls practice hard, sing loud, and are pumped to be competing this year at provincials.

We have had a hard fought and very competitive season. The girls have worked hard to improve each game and have earned medals in 4 highly competitive tournaments (Calgary, Lethbridge, Wetaskiwin, and Airdrie), and were undefeated in a very difficult Central Zone league. Our girls are driven to work hard so that the 6 seniors on the team end their high school careers on a high note that will make lifelong memories, and we will represent our school well at provincials!

The Wildcats constantly improved this season and their 14 player roster proves there is strength in numbers. With only 2 grade 12 players, the future looks bright! More than quantity of players, this team also brings quality. Their talent and heart come together as a dynamic combination. Last year saw the Wildcats earn the Calgary Independent Schools Tier Two banner and this year they followed up with a Tier One championship win. This is their first appearance at the ASAA Provincials and they are thrilled to attend.

This year's Pride are a young team with only 2 grade 12's and 3 players returning from last year's varsity team. The team has slowly improved throughout the year peaking with our best basketball in the zone tournament. Highlights of the year include making the final of our home tournament, finishing 2nd in the very competitive South Zone and being consistently ranked in the ASAA top 10 all season. The Pride are looking forward to competing in this year's provincial championship tournament.

This season has been very successful with an overall record of 24 wins and 8 losses. We finished 2nd in a very tough league containing 4 ranked teams, and 2nd at zones in a great final against Pigeon Lake. We played in 5 competitive tournaments this season, finishing in first place twice, 2nd once and 3rd once. We also played well at the Rundle College tournament. It has been 13 years since the Sr. Girls team from our school has made it to provincials and we are very excited to have the opportunity to compete!

A NEW WAY EVERY DAY

Every day at SUBWAY® restaurants, you can build a sandwich your way from the bread on up or even make it into a salad. Add a steaming soup, oven-fresh cookie or ice-cold drink. Your tastebuds won't know what hit them. Breakfast, lunch or dinner, you've got it made!
