Please remain at your field at the conclusion of these final games until this team photo has been taken.

A second photographer will also be on site photographing action shots throughout games at the tournament. These photos will be available online **for purchase** after the tournament at <https://rjphotography.viewbook.com/>

12. ASAA RUGBY CHAMPIONSHIP TOURNAMENT RULES

- 12.1 It is incumbent upon all coaches and participants to be aware of ASAA Rugby policy and World Rugby variations. Specifically for this event, player eligibility (pp 38-47) and ASAA Rugby rule variations (page 114) and policy (pp 114-120) of the ASAA 2017-18 Handbook.
- 12.2 **Discipline and Misconduct:**
Breaches of the ASAA Code of Ethics are treated seriously, and as a host [we] are required to report any breaches to the ASAA office where action may occur. A portion of the ASAA Code of Ethics states "Any conduct, including, but not limited to ejections, fighting and drugs and alcohol use, that results in dishonour to the athlete, the team, the school or the ASAA will not be tolerated" (pp 26-30). Any unsportsmanlike or violent behaviour (e.g. fighting) that results in an ejection of an athlete or coach from play in an ASAA provincial championship competition shall result in a suspension from the next scheduled match of the current season, where match is understood to mean game, match, round, bout, etc. as appropriate per sport.
- 12.3 **Discipline/Appeal Committee:**
All ASAA provincial championship hosts will convene a discipline/appeal committee. The committee will have the authority to address issues of a serious nature that may occur before, during or after a provincial championship match, or to hear appeals of the automatic suspension resulting from an ejection. The committee may include, but not be limited to, the tournament chairperson, an official, and two coaches not in conflict with the issue. In rugby, the discipline/appeal committee will be the ASAA Executive Appeal Committee.
- 12.4 **Uniform Policy:**
Please refer to ASAA rugby policy Uniforms I.a and I.b on page 120 of the ASAA 2017-18 Handbook.
- 12.5 **Competition Site Security and Coaching Zone:**

For each playing field there will be one side designated for teams and one for spectators. Spectators may not view the game from within the team areas, nor may coaches or players view the game from the designated spectator areas. If a coach wants to sit in the spectator area, he/she must do so for the entire match and must not enter the team area until the competition has concluded.

Communication to coaches/players from outside the team area is prohibited (this includes headphones, two-way radios, etc). This type of team management strategy is outside the spirit of the game. Designated trainers are permitted on or around the field as the needs of the players warrant. Teams/coaches will have a designated area during the game. Coaches are not to leave this area.

Coaches are not allowed on the field except during half time. If the need arises the referee will call the coach onto the field.

Water may be provided to the on-field players by designated water carriers. The number of carriers may not exceed three. These persons must not be dressed in uniform.

12.6 Replacement of Players (substitution):

There shall be an unlimited number of players on the team roster. SECTION XVI-RUGBY, pg 115 Section B Eligibility 2 Before each match a team must nominate 25 players on a game sheet that indicates name, unique jersey number or letter, captain(s) and designated forwards as per *World Rugby law 3.5 (a) and U-19 Variation 3.5 (c)*. *Only players on the game sheet may play, with a maximum of 10 substitutions. U-19 Variation 3.14 – A player who has been substituted may replace an injured player. Front row players must be designated on the game sheet. At each field of play there will be a 4th official that will collect team rosters before the match. The 4th official will be located at the scorekeepers table between the two team benches on one side of the field. All substitutions must be initiated through this 4th official, not through the referee.* Substitution can occur at any time during the game however there is a maximum of 10 substitutions per team per game.

12.7 Games:

All Friday games will last 40 minutes – two 20 minute halves and a 5 minute half-time break. The Saturday finals will last 60 minutes and will include two 30 minute halves and a 5 minute half-time break. ALL WARM UPS are to be held in designated warm up areas near each field. NO WARM-UPS are allowed in the in-goal areas during games.

In the 40 minute games, if a player is yellow carded, then the time spent in the “sin bin” is 5 minutes.

In the 60 minute games, if a player is yellow carded, then the time spent in the “sin bin” is 8 minutes.

Overtime:

All tie-break requirements will follow the ASAA Tie-Break Procedures 6.a; 6.b and 6.c on pages 117-118 of the ASAA 2017-18 Handbook.

12.8 Protests:

Protests concerning results or conduct within an event must be made within 30 minutes of the results being posted or announced. The protest must be made to the **Grievance Chair: Jerry Flaws**. A Discipline Committee will consist of the Head Referee, Grievance Chair and the Technical Chair, will deliberate and a decision will be rendered, where possible, before the next scheduled match of any team involved with or included in the protest.

Any responses to the decision will be heard immediately at which point the Discipline Committee may alter the decision. At this point the Committee’s decision will stand (for the purposes of moving on with competition and the resolution of the tournament) and any appeals must be filed with the ASAA Provincial Rugby Commissioner of the corresponding gender. Appeals will be documented and used constructively toward improving equity, sportsmanship and general fairness if and where these things may be found lacking.

12.9 Sportsmanship:

There will be a Sportsmanship Committee at the tournament watching teams both on and off the field. The week following the tournament, the winner will be announced and the Sportsmanship Banner will be forwarded to the winning school.

12.10 Tournament Rugby Game Balls:

Games will be played using a World Rugby approved size 5 ball **GILBERT MATCH BALL** which are supplied by the ASAA. There will be NO substitutions.

12.11 Athletic Therapy Services:

Each field will have a certificated and insured Athletic Therapist throughout the tournament to assist in injury prevention, assessment, and treatment. It is strongly recommended that teams supply their own tape and first aid requirements if you would like the AT's to address your taping/wrapping needs. If assessment of soft tissue injuries or taping is required, please have the athlete bring themselves with any necessary supplies to the score table on each field prior to the game or signal that you request their assistance during or after the game.

As well, one Emergency Paramedic will be at the Medical tent for emergency injury assessment and treatment. The paramedic is not expected to provide taping, massage therapy or any other responsibilities typically associated with team trainers or an Athletic Therapist. The paramedic will be called to the field in Emergency situations, and have a direct line to EMS and an Emergency Care Physician by phone.

12.12 Dressing Rooms and Washroom Facilities:

There are dressing rooms available at Calgary Rugby Union. Changing on the game field is not permitted.

12.13 Lightning Rule:

The guidelines noted on the Safety Guidelines for Secondary Interschool Athletics will be followed. If in doubt, follow the 30-30 rule:

- 30 seconds: Count the seconds between seeing lightning and hearing thunder. If this time is less than 30 seconds, lightning is still a potential threat. Seek shelter immediately.
- 30 minutes: After the last lightning flash, wait 30 minutes before leaving shelter. Half of all lightning deaths occur after a storm passes. Stay in a safe area until you are sure the threat has passed.

13. CHAMPIONSHIP APPAREL

Gimmicks will be on site to customize souvenir apparel for athletes to purchase. Schools may make advanced purchases using the 'School Pre-order Form' found in this package. The ASAA and/or CSHSAA will not be responsible for payment or pick-up of any pre-ordered items. Athletes will pay for items when picked up. Schools must make payment directly to Gimmicks for any unpaid items, or items that were not picked up by athletes. By sending in an order form, schools agree to this policy.

14. ADMISSION AND PARKING

There will be two parking areas, both accessed off Shepard Rd SE:

- The North parking lot on Field 1 will be for volunteers, referees, coaches, and guests.

Calgary Rugby Union

Emergency Action Plan - ASAA Provincial Rugby Championships June 8-9, 2018 at the Calgary Rugby Union (CRU)

Please follow and respect the policies and procedures of this Emergency Action Plan (EAP)

Emergency situations may arise at any time during athletic events. Expedient action must be taken in order to provide the best possible care to the athletes of emergency and/or life threatening conditions. If a serious injury occurs, time becomes critical. Subsequently, the implementation of this EAP must be adhered to when in an emergency situation. A laminated copy of this EAP will be at the medical tent, each score table, concession, and main control tent.

IN CHARGE PERSON (FRIDAY and SATURDAY):

KEITH McLEOD (FIRST AIDE COORDINATOR) - Cell: 403-863-4442 or Email: krmcleod@cbe.ab.ca

RALENE GOLDADE – Cell: 403-880-3755

PETER ZAJICZEK – Cell: 403-390-7723

DAN KAZAKOFF – Cell: 403-617-4485 (CRU Facility Manager)

These pre-designated individuals will be responsible for managing and coordinating the emergency situation. One of these people (**along with the onsite Athletic Staff attending to the emergency**) will activate the Emergency Action Plan when deemed necessary.

MEDICAL SERVICES ON-SITE:

AARON PARAMEDICAL SERVICES

A Paramedic from Aaron Paramedical Services will be on-site for each of the two days and stationed at the Medical Tent. These individuals will have direct access to EMS and an emergency physician by phone. A certificated-insured Athletic Therapist will be stationed on each play field (5 therapists in total per day) and each will have a radio at the score table. The Paramedic will also have a radio at the medical tent so that the "In Charge" personnel, AT's and Paramedic can communicate with one another. The medics will provide EMERGENCY services; they are not there to tape athletic injuries. That is the role of the ATs should you require their service.

- If an ambulance and paramedic are required (non-life threatening), the Person in Charge and Paramedic will be contacted by radio to assist with EAP implementation. The Person in Charge will call 911, if required, and communicate with DAN KAZAKOFF (403-617-4485) to have the CRU staff meet the ambulance to direct them to the correct field.

- If an ambulance and paramedic are required (life threatening/dire situation), the coach of the injured player or AT will initiate the 911 call immediately using the EAP information from the field tent/score table. After the 911 call is initiated, the coach/AT will stay on the phone with emergency dispatch. The coach/AT at the field must use the radio to contact the 'Person In Charge' to assist. The 'Person In Charge' MUST call DAN KAZAKOFF (403-617-4485) to have CRU staff meet the ambulance to direct the EMS staff to the correct field.
- The Aaron Paramedical paramedic will take control of an emergency situation until a medical authority arrives.
- The Paramedic will determine when it is safe to resume play OR if the game needs to be delayed in consultation with the Head Referee.

CALL PERSON: Head Coach of each match for their respective team or Athletic Therapist at the field

This person is appointed prior to the game by the Head Referee. This individual will be required to activate the emergency system by communicating to the Athletic Therapists on-site and informing them of the nature of the medical emergency if not already addressed by the AT on the field with the following information.

- The AT will inform the Paramedic and Call Person if they are to immediately call 9-1-1 or wait until they arrive at the field to assess the situation.
- The Call Person/AT will report back to the In Charge Person that EMS has been dispatched and provide an estimated time of arrival.

CONTROL PERSON: Head Referee responsible for each match

This person is appointed prior to the game or practice. This individual is expected to keep the crowd away from the injured player/person and be in control of the situation.

Control Person (Head Referee-1; Assistant Referees-2) is responsible for controlling the crowd and other participants.

- **Aaron Paramedical Staff (Paramedics) will attend all on-field injury emergencies and will have "medical" final say until the injured person(s) have been officially transferred to EMS staff.**
- Stay in constant communication with the medical provider; the Person in Charge and the 911 dispatch
- **DO NOT HANG UP! LET DISPATCHER TERMINATE THE CALL**
- After the area is secured and controlled, they will act as the guide for emergency personnel from the City of Calgary while on the rugby playing surface. The EMS will be met at the gate by a designated guide to escort the EMS personnel to the injured athlete.
- In consultation with the Person in Charge the continuation of play will be determined.
