WEATHER CONTINGENCY STATEMENT

In consideration of the outdoor nature of the sport of Golf, it is sometimes affected by weather; we appreciate your understanding if unforeseeable circumstances arise (frost delays, course closures based on rain, snow, lightning, etc.).

Any delays will be at the discretion of the Golf Pro with the Course and the Golf Coordinators, and play will resume at their discretion.

Any other contingencies will be addressed as they arise.

TECHNICAL INFORMATION IN ASAA POLICY HANDBOOK

- For ASAA policy regarding Code of Ethics please refer to SECTION I, pages 20-22
 - For ASAA policy regarding Eligibility please refer to SECTION IV, pages 27-32
 - For ASAA policy regarding Supervision at Provincial competitions please refer to SECTION V, page 33
 - For ASAA policy regarding Failing to Show please refer to SECTION V and VII, page 44
 - For ASAA policy specific to Golf please refer to SECTION XV, pages 77- 79
- #### MEASURING DEVICES POLICY
- All participants are permitted to use sky caddie/laser range finds/GPS devices to measure distances.
 - These devices may not be used for any other reason other than to measure distance (e.g. slope or elevation change)
 - These devices will not be provided to participants, if participants use these devices it is as a personal device – THEY MAY NOT BE SHARED · Course marshals will be on-hand to monitor the proper use of these devices

PHONE POLICY

- Phones may be used for measuring devices and GPS apps only. Talking and texting will not be permitted (unless during a medical emergency)
- If used for any other reason than as a measuring device, phones will be confiscated.
- Course marshals will be on-hand to monitor the proper use of phones on the courses.

Spectator Guidelines

Spectators and Coaches can observe play but must maintain a 30 yard distance from players during the course of play, except around the greens where spectators must maintain a 10 yd distance from players. Spectators and coaches are discouraged from walking on tee box areas, fairways and putting greens. They are encouraged to walk on paths and in the rough, avoiding interference with play.

Spectators may not communicate with players, unless there is a medical situation. While on course spectators/coaches are not allowed to offer advice to any player during the provincial championship. Advice is defined as any verbal comment or action that is intended to influence a player: in choosing a club; making a stroke, or; deciding how to play during a hole or round. Note: limit all communication, verbal and non-verbal, which may be construed by others (players, tournament officials/organizers and volunteers) as advice.

Spectators and coaches are not to be keeping score of the players in the group or offering advice with any rulings that may arise during the course of play.

Spectators may assist with finding lost golf balls during the course of play if given permission by the golfer who hit the ball. Spectators are not to communicate, coach or speak with players during the search for golf balls. Spectators must wait until players arrive at the area where the ball has strayed to begin searching for balls. This policy has been enacted to assist the pace of play on the course.

Coaches will be granted the use of a golf cart to check on their team during the round provided the host golf course is allowing carts. If a coach chooses to use a cart, they will be expected to sign a waiver form from the golf course with the understanding any damages that are incurred will be paid by them. We will encourage coaches to double up on carts to help limit the number out of the course. However, parents/guardians will not be granted the use of a cart and will be expected to walk if they choose to follow a group.

Failure to follow the above expectations may result in removal from the course or disqualification from the provincial championship.

GOLF COURSE SAFETY INFORMATION

POTENTIAL HAZARDS

Golf Course:

Turner Valley & Highwood Golf Courses are natural environments therefore please be aware that the conditions are constantly changing and be vigilant for any potential natural hazards that you may encounter when walking on the golf courses.

Adverse Weather:

- It is your responsibility and yours alone to be aware of any potential hazard to yourself from any adverse weather conditions that may occur when you are walking at Turner Valley & Highwood Golf Course
- You are advised to evacuate the golf course to the clubhouse if you believe that there is a risk to yourself from adverse weather especially in the event of lightning.
- Please see the information package for more information on adverse weather conditions

Personal Safety:

- You are advised to exercise caution at all times and identify areas on the course where you may be at a potential risk of being hit by another golfer's ball.
- There can be a risk of being hit by a stray ball on any part of the golf course and you should take particular care on all holes.
- It is the responsibility of all coaches/spectators to take the appropriate steps to ensure their own safety when on the course.

Animal Holes:

- Holes from burrowing animals (e.g. moles and rabbits) can cause sprained ankles or worse, please be aware especially in long grass that animal holes are a danger and you should take care when walking/playing the golf course for uneven ground or animal holes at all times.

Wild Life:

- Golfers should make themselves aware that there is always a potential threat from wasps, bees and other biting insects. You may come across deer, moose, bears & cougars. Take precautions accordingly.

Steep Banks and Slopes:

- Care must be taken to avoid trips, slips and falls when standing on or walking near any banks or slopes on the golf course especially in wet or icy conditions.

Ponds and Ditches:

- Ponds will have deep water and deep mud in them all year round. Do not try to retrieve lost golf balls in ponds or ditches if you are at any risk from falling into that hazard. Pond and ditch banks can appear to be dry and safe but can be deceptively treacherous. You are advised to stay well clear of all ponds and ditches wherever possible.

Footwear:

- Appropriate sports footwear, preferably golf shoes, must be worn on the golf course when playing golf to help avoiding slips.

Maintenance Staff:

- Maintenance staff will be working on Turner Valley & Highwood Golf Course when play is in progress, including operating machinery. Green staffs working on the golf course have priority and right of way at all times, this should always be respected by golfers.

SPORTSMANSHIP COMMITTEE

All in attendance will be reminded to watch for acts of sportsmanship throughout the competition

After signing their scorecard, athletes will have the opportunity to nominate the player/coach with a brief description of what they did. Please use the google form link to nominate an athlete or get a nomination sheet from one of the organizers.

Sportsmanship pins will be presented to the player/coach at the end of competition.

[Provincial Golf Sportsmanship Nomination Form](#)

GRIEVANCE COMMITTEE

The Grievance Committee will include the Grievance Chair, the Head Professional at the specific courses being played, and the ASAA Commissioner and/or ASAA Staff Member in attendance

PARTICIPANT CONCESSION SERVICES

The clubhouse restaurant will be open on both courses during the tournament. Players will be provided with a bag lunch at the course of the day.

EMERGENCY ACTION PLAN EVACUATION PLAN

Lightning Safety:

The warning system for any lightning in the area will be 1 long blast of an air horn. Play is suspended immediately; players are to mark and leave their ball and all persons are to return to the Clubhouse or nearest shelter as quickly as possible. Players will wait at the Clubhouse for further instructions to return to their playing position. When players return, a single blast of the horn will indicate safe conditions for golf and play will continue.

Lighting Do's and Don'ts

Do's

- Maintain a distance of 5 meters apart if in groups.
- Stay away from metal objects, including your vehicles, machinery, metal fences, etc.
- Move away from water.
- Crouch down in a depression or low area. When crouching, remain kneeling, bend forward and put your hands on your knees.
- Inform all workers of the potential of adverse weather if predicted by local weather forecasts.
- Inform workers of the emergency procedures if they hear thunder or see lightning.

Don'ts

- **Don't** stand near tall structures.
- **Don't** take shelter under sunshades or trees or in small camp buildings.
- **Don't** take shelter next to water bodies, electrical lines or metal fences.
- **Don't** use washroom facilities, or electrical appliances.
- **Don't** remain standing in an open area – lightning strikes the tallest object.
- **Don't** lie flat on the ground.

Medical Emergency Response:

The threat of a player being struck by an object on the course is a real threat. If an object does come in contact with a player while on the course they will be assessed and one of the following actions will be taken:

Turner Valley Golf Course - (403) 933 - 4721 - Press #1 for Pro Shop

Highwood Golf course - (403) 652 - 3644 - Press #1 for Pro Shop

Step 1 – First Aid

If an injured person is discovered; appears the injuries are not life-threatening, call the Pro Shop for a First Responder to attend the scene. They will have a First Aid Kit and come to your location. They'll determine if the injury is serious enough to activate step 2.

Step 2 – Call for EMS Assistance - 911

When injuries appear critical or have anything to do with **BRAIN, HEART, OR LUNGS** Call **911** and give them any information you have about the emergency.

- State you're calling from Turner Valley Golf Club or the Highwood Golf Course and your name.
- State there is an injured individual that requires EMT, or may be having a heart attack.
- Then call Pro Shop for assistance, First Aid Kit and/or the AED.

Typically, the ambulance will know where to go however someone could meet the EMTs at the building entrance and escort them to the injured individual. Pass on any information you know regarding the condition of the injured person.

Fire or Severe Damage to Golf Course Buildings:

In the event of a fire or alarm all patrons of the building will be directed by one of the staff to the designated exit which is safest to exit. Once outside, patrons will then proceed to a muster point until emergency services have been called and deemed it safe to re-enter the building.

Muster Points:

The Muster Point for the Turner Valley Golf Course is in the parking lot.

The Muster Point for the Highwood Golf Course is in the parking lot
