

Emergency Action Plans:

ASAA Provincial Curling Championships – ATB Centre, Lethbridge

Evacuation Instructions:

Should an evacuation be needed, all occupants of the curling rink will evacuate through any of the exterior doors and meet at the muster point in the main parking lot. Once outside, adult volunteers will immediately instruct everyone to remain as a group at all time and take a head count (based on teams) of the number of persons in the group. Report this number to Dave Fletcher at 403 892 9412. Dave Fletcher will be the last person to leave the building, once all washrooms, team rooms, and hallways have been cleared and doors have been closed. Establish contact with the Fire Department and once the all-clear is given, instruct everyone to enter the building.
