# ASAA PROGRAM

## 3A Girls **BASKETBALL**

Mar 17–19, 2022

St. Joseph High School, Red Deer

# FROM THE ASAA Executive Director

Well, it has now been three years since an ASAA Basketball championship has been held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted – it has been a passion of mine since I was a high school student, then later a high school teacher coach and for many years now, a high school athletics administrator. What I did learn over the past two years since the pandemic started was that the passion students, coaches and parents/guardians have for school sports is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received through the 2021/22 school year so far point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport.

While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the enhanced sanitization and other modifications being applied at this event.

I wish to thank the 3A Girls Basketball Championship host Matt Slubik, the students and volunteers at St. Joseph High School for hosting this event. I also want to thank them for pivoting many times as Government restrictions have changed and impacted their planning. They will do all they can to ensure a safe and enjoyable event for student athletes, coaches and spectators both here and at home via livestreaming. We cannot run our championships without these outstanding volunteers.

*I wish you all well!*

# Alberta Milk Proud Partner of Alberta Schools' Athletic Association

# Ethics & Sportsmanship

## **Alberta Schools Athletic Association Code of Ethics:**

Adults who work with students in interscholastic activities should present a positive role model for them to emulate. Students who represent a school in interscholastic activities must be creditable school citizens. The Association recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Association presents the following general guideline.

## **Sportsmanship**

Sportsmanship is vitally important and highly valued by the ASAA. A Sportsmanship Trophy will be awarded to the team that displays appropriate conduct & sportsmanship both individually and at a team level throughout the Championship. This award will be delivered by ASAA to the receiving school after the Championship has been finalized. Pins will be handed out throughout the Championship to individuals & spectators who display sportsmanship in their words & actions. The Sportsmanship Committee will consist of the Tournament Chair, a minimum of two other Tournament Committee Members, Site Supervisors and an ABOA Representative.

**Sportsmanship Pin Award:** Sportsmanship pins may be given to individuals who exhibit outstanding displays of integrity, fair play and good sportsmanship. Sportsmanship pins may be given to players, coaches, parents and spectators. Recipients of Sportsmanship Pins should show some or many of the following characteristics:

Players should:

- Conduct themselves in a positive nature/manner before, during and after the game
- Offer positive comments to opponents during the game
- Shake hands before and after the game
- Be courteous, polite and friendly
- Show good sportsmanship during the game
- Show concern, respect or empathy for an opponent

# Ethics & Sportsmanship cont'd

## **Spectators should:**

- Consistently give positive feedback to players and others
- Welcome opponents
- Present positive comments before, during and after the game
- Be helpful to others (i.e. willingly offer information about the game, score, scheduling, venue location, etc. to onlookers)

## **Fair Play and Sportsmanship:**

All competitions must be conducted with a high standard of courtesy, fair play and sportsmanship. All those involved share this responsibility.

**1. Coaches** - The coaches must demonstrate qualities of courtesy and good sportsmanship. These are evidenced by proper acceptance of officials' judgment, positive encouragement of player performance and bench behavior.

**2. Athletes** - Athletes must demonstrate qualities of courtesy and good sportsmanship by proper acceptance of officials' judgment and by showing proper respect for opposing athletes as well as for teammates.

**3. Cheerleaders** - Cheerleaders must demonstrate courtesy and good sportsmanship by the appropriateness and timeliness of the cheers they lead, respect for the other cheerleaders and athletes, and their attempts at effective crowd control.

**4. Spectators** - As per the ASAA Policy Handbook:

Spectators, both student and adult, must demonstrate courtesy and good sportsmanship by positive cheers of encouragement for their team, not against the opposing team. This is evidenced by the absence of booing and vulgarities. Spectators must also show proper acceptance of officials' judgment. Artificial noisemakers are not permitted during provincial championship tournaments/events. These noisemakers may include but are not limited to: air horns, cowbells, plastic tube horns, garbage can lids, etc. The provincial championship host shall have the authority to eject from the competition facility individuals who, following a warning, refuse to comply with this requirement.

**5. Administrators and Teachers** - Administrators and teachers must demonstrate courtesy and good sportsmanship by their positive examples.

# Game Rules & Information

**Game Ball:** Top Flite 1000 Legacy Ball (Size 7)

**Rules/Policies:** It is incumbent upon all coaches and participants to be aware of ASAA Policy. Specifically, for this event, player eligibility (pp 38-41), supervision policy (pg 51) and basketball policy (pg 82- 92). “Every school team must be coached or supervised by a teacher of the school jurisdiction to which the school belongs.”

**Referees:** All referees are supplied and assigned by the Alberta Basketball Officials Association. There will be a representative at the coaches meeting.

**Minor Officials:** Minor Officials will be provided. Please treat these individuals with respect. If you have a concern with the scorekeeping please address it through the Officials and /or Site Supervisor. Do not direct comments to the minor officials.

**Discipline and Misconduct:** Breaches of the ASAA Code of Ethics are treated seriously, and as host, [we] are required to report any breaches to the ASAA office where action may occur. A portion of the ASAA Code of Ethics states, “Any conduct, including, but not limited to ejections, fighting and drugs and alcohol use, that results in dishonor to the athlete, the team, the school or the ASAA will not be tolerated.” (pp 26-28)

**Grievance Committee:** All ASAA provincial championship hosts will convene a discipline/appeal committee. The committee will have the authority to address issues of a serious nature that may occur before, during or after a provincial championship match, or to hear appeals of the automatic suspension resulting from an ejection (see ASAA 2018/19 Policy Handbook).

A reminder that a coach or player who is disqualified will receive a one game suspension. If it is the teacher sponsor that is disqualified, and no other teacher sponsor is available for that team, the team will not be allowed to participate in their following game.

# Winston Churchill High School Griffins

Omar Kadir

The 2021-2022 Griffins have had a solid season. The team finished second in a strong Deep South league that had every team ranked provincially either in 1A, 2A or 3A classifications. The Griffins had an outstanding performance in Taber at the Rebel Classic winning the championship in early February. They took that momentum all the way to zones where they beat McCoy

With a new coaching staff and only 2 girls with high school basketball experience, the Trojans had no idea what the 2021-22 season might have in store for them. They stumbled out of the gate, losing 4 of their first 6 games, but found their footing in their first away tournament in Cochrane, going 20-2 and winning 4 tournaments from Dec. 10th until capturing their first Zone Championship in 9 years.
