Coaches & Officials Hospitality Room

A hospitality room will be available for officials and coaches. We will be offering grab-n-go food, snacks and beverages but this is **not** a gathering place. Registered coaches will need to be wearing their provided wristband in order to enter; this will ensure there is sufficient food throughout the tournament.

Results

The Draw area will be located outside of the main gym. We ask that only coaches visit this room if they need to speak to the draw master about an issue. We will use a silent draw and mat assignments will be the same throughout the tournament until the gold and bronze medal matches. Results will be available on the championship website after the tournament and on the Track wrestling website.

Awards Ceremony

After the Gold medal matches in each session, the top three (3) wrestlers in each weight class will receive medals and the 4, 5, 6th place finishers will receive ribbons. Any round robin weight classes that have been completed early will be presented first. Athletes will take their medal or ribbon from the tray when presented. Team awards will be presented at the end of the tournament.

Pictures/Photography

All Gold medal winners must have their pictures taken immediately after receiving their medals so that pictures will be in the ASAA yearbook. All Championships teams will also receive their banners and have their picture taken. Photos will take place in the gymnasium beside the winner's podium.

Sportsmanship Pins

Sportsmanship is vitally important and highly valued by the ASAA. Pins will be handed out throughout the Championship to competitors, coaches, parents & spectators who exhibit outstanding displays of integrity, fair play, and good sportsmanship in their words & actions. The sportsmanship committee, consisting of the tournament chairpersons, the ASAA commissioner, the officials, and non-wrestling teacher/coaches will be deciding who receives these pins.

Protest Committee

In the event of a protest during competition, within 30 minutes of the completion of the bout, the coach or teacher must submit a written protest accompanied with a fee of \$100 cash. The written protest along with the cash should be filed with the head official, and the tournament chair should be notified. The protest committee shall consist of the head official, ASAA wrestling commissioner and a neutral coach. If the protest is successful, the fee of \$100 shall be returned to the coach/teacher and the appropriate process will be followed, as per the WCL rulebook, to determine the winner.

Grievance Committee

The grievance committee's key function is to deal with matters that occur during competition, typically discipline/conduct issues or to handle any other matters that arise that require dispute resolution. (Anything that falls outside the boundaries of the technical competition.) In case of any grievances, there will be a committee in place to hear the situation. Members of the grievance committee will include the tournament chairperson or a tournament committee representative, the wrestling commissioner, and the one coach from each of the three zones. These members will be decided upon at the coaches meeting.
