The Lancers bring a veteran group of players to Provincials in 2016. Six grade 12s and three grade 11s build the core of the team. Two grade 10s round out the roster bringing energy and enthusiasm. The Lancers have enjoyed a successful season, finishing with a 20-1 record. This included tournament wins in Peace River, Grande Prairie, La Crete and a silver medal performance in Calgary. The Lancers look forward to being hosts this year and wish the best of luck to all the teams competing at this year's Provincials.

Starting our season with five grade 10's we thought it would be somewhat of a rebuilding year especially with injuries hitting our team early on. The 2015/16 season ended off having a great year placing in four our of eight tournaments. Highlights include winning bronze at the last three tournaments heading into zones. Without a league to play in, we had to take advantage of every tournament opportunity we could. The Saints coaching staff would like to thank our men for an amazing, fun filled season and we are excited for them to represent the Northwest zone in La Crete! We would also like to wish everyone else participating in this year's provincials continued success. Hard Work, Pays Off!!

The Titans have had and up and down season but we are ready to finish strong. We are led by a strong group of grade 12 players who have a long history playing together and are a well meshed team. The 2 Titan Rookies have had no problem fitting in and have rounded out our team nicely. St. Joseph's Collegiate Crusaders are back to provincials for the third year in a row. The first year in over 5 years of not being there they received 7th, and last year they received 6th. After going 9-3 in league they went on to beat Eagle Butte, and Monsignor McCoy to win the SEBC league for the 2nd year in a row. This was quite the accomplishment after graduating 6 gr 12's last year, and knowing that we would only have 2 grade 12's this year. There was even the debate of whether the crusaders should play in the JV league. With an overall record of 24-6 they have had great games with not only their SEBC competitors such as Eagle Butte, McCoy, WR Myers, and Rosemary but also teams such as Heritage Christian, Kate Andrews, Livingstone, Ryley, JR Robson, Calgary Christian and JC Charyk-Hanna. The SJC Crusaders would go on to beat the Hanna Hawks 71-58 in the South Central zone 2A championship to win for the 2nd year in a row. With a solid grade 11 core of players the crusaders are hoping to do well this year and make a splash in La Crete.

This is my 14th year teaching in Hanna Alberta at J.C. Charyk school. The first year I was here our Sr boys team did not win a game finishing with a final record of 0-27. Having four young children of my own I decided to start a little league basketball program up in our community. It started quite small as most rural communities in Alberta are focused mainly on hockey. After some time the program started to gain some traction. I have been coaching this particular group of students for the last eight years. For the first time in 34 years (1982) our Sr. boys program has qualified for Provincials. I am extremely proud of what the boys have accomplished, being a small 2A school of 127 students. This group of young men have worked hard over the years to accomplish our goal of competing at the Provincial level.

Overall the Stirling Lakers have had a successful year with an overall record of 24-7. This season they brought home Gold in Stirling, Picture Butte, and WR Myers tournaments. The Lakers successfully repeated for the Zone Banner in 2016 with their 9 Seniors and easily the tallest team Stirling has ever had (however that isn't saying very much). They have had some set backs with major injuries but have adjusted and improved their game. The Lakers are a group of hard working kids with great attitudes and a hard work ethic. They are looking forward to a successful provincial run.
