### **Venue Rules/Policy & Expectations:**

It is incumbent upon all coaches and participants to be aware of ASAA policy. Specifically for this event: Player Eligibility (pg. 27-31); Supervision Policy (pg 33), Basketball Policy (pg. 55 - 61). "All competitions must be conducted with a high standard of courtesy, fair play, and sportsmanship. All those involved share this responsibility." (pg. 20, ASAA Policy Handbook)

### **Game Ejections:** (Pg 22, Section II1.F, ASAA Policy Handbook)

Behaviour by any member of a team, including all bench personnel, deemed objectionable conduct as defined in the rule book for a sport shall be immediately subject to the penalty prescribed in the rule book for such an offense. In this situation during a game, the Head Official for the game shall be empowered to see that the penalty is carried out (including ejection of team personnel from the game site) to allow the game to continue or if necessary, to halt further play and award the game to the non-offending team. In the event that a coach or team official is ejected from a game/match/bout, they are required to immediately leave the building until 30 minutes following the conclusion of the game/match/bout. If an ejection results in a teacher coach/teacher-supervisor to no longer be present with the team, the game will be forfeited.

### **Minor Officials:**

Students and Junior Basketball players will be scheduled to fill these needs. Please treat these individuals with respect. If you have a concern with the scorekeeping address it through the Officials and/or Facility Managers. Do not direct comments to the minor officials.

**Grievance Committee:**

A Grievance/Discipline Committee will be in place to review any and all concerns that may occur. These will include appeals of application of ASAA policy (e.g. automatic game suspension for ejection of an athlete or coach), as well as tournament concerns. This Committee will be composed of two members of the host committee, head official and 2 coaches not involved in the grievance. Please reference the ASAA handbook.

**Discipline & Misconduct:**

Breaches of the ASAA Code of Ethics are treated seriously, and as host, [we] are required to report any breaches to the ASAA office where action may occur. A portion of the ASAA Code of Ethics states, “Any conduct, including, but not limited to ejections, fighting and drugs and alcohol use, that results in dishonor to the athlete, the team, the school or the ASAA will not be tolerated.”

**Alberta Schools Athletic Association Code of Ethics:**

Adults who work with students in interscholastic activities should present a positive role model for them to emulate. Students who represent a school in interscholastic activities must be credible school citizens.

The Association recognizes that the school administration is responsible for all athletic programs and the conduct of all school representatives, whatever the level and location of the competition. In recognition of this authority and responsibility, the Association presents the following general guidelines.

**Awards Presentations:**

All “presentation games” will be held at Oilfields High School and awards will be presented immediately following. These include Championship, Finalists, 3<sup>rd</sup> Place, 4<sup>th</sup> Place, and Consolation Championship.
