Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

I would like to extend a warm welcome to all students, coaches and spectators to the 63rd year of the ASAA coordinating high school provincials. From our sole sport of boys' basketball in 1956, to 12 sports involving male and female athletes today, we have come a long way. We have many to acknowledge for this longevity and success.

First, I want to congratulate all of the student athletes in Alberta for their dedication to their school via their involvement in school sport. I especially congratulate those fortunate enough to have made it to this Provincial Championship; I hope this is a positive and truly memorable life experience for you. Second, I want to both acknowledge and thank those who coach our student athletes – teacher and non-teacher coaches alike. Because of you, Alberta's high school student athletes are given every opportunity to be successful in sport, in school and beyond; you are helping equip them with the tools to lead a successful life after leaving high school.

A sincere thank you goes out to your local organizing committee who has worked extremely hard under the guidance of ASAA staff to ensure that the experience for all involved is second to none. Specifically, I wish to thank Boris Grisonich from Medicine Hat High School for chairing this event, the local host committee and all volunteers for their involvement and support. I wish to take this opportunity to acknowledge that this event is located on the traditional territories of the people of the Treaty 7 region in Southern Alberta which includes the Siksika, Piikani, Kainai, Tsuut'ina and Stoney Nakoda First Nations, including Chiniki, Bearspaw, and Wesley First Nation. This land is also home to the Métis Nation of Alberta, Region III. We would like to acknowledge all the many First Nations, Métis and Inuit who have walked upon and acted as stewards of this land for centuries. As well as honour Elders, the keepers of all, both past and present. I also want to thank the ASAA's Platinum partners, Alberta Milk and SUBWAY, Gold partner Morgex Insurance, ASAA's funding partner Alberta Sport Connection and the Official Suppliers listed in this program. Their support of high school athletics in Alberta is greatly appreciated.

My final message is about ethical and sportsmanlike conduct. I encourage all involved in this event: coaches, athletes, spectators, volunteers, etc. to appreciate that this is an event being held in an educational context and involves youth mostly aged between 15 and 18 years of age. Sportsmanship and respect is a hallmark of ASAA Programs. Let's keep it that way.

Centennial High School Coyotes

The Centennial Coyotes have had an incredible season to date: an impressive 25-6 overall record, including four tournament championships. The Coyotes are proud to enter the provincial tournament representing Calgary as Division 1 City Champions. The strength of this team comes from a core group of girls that are dedicated to the sport, are incredibly self-motivated as individuals, but have a noteworthy cohesive element, as a team, that makes them so enjoyable to watch both on and off the court. We would like to sincerely thank the organizing committee in Medicine Hat for all of their hard work hosting this exciting tournament!
