## ***Welcome to West Central High School & Rocky Mountain House!***

*West Central High School - Rocky Mountain House, Alberta*

### ***PRINCIPAL'S WELCOME:***

West Central staff and students welcome all provincial volleyball competitors, coaches, fans and families to our school at the feet of the Rocky Mountains. It is a great pleasure to host the 3A Boys Volleyball Provincial Championships, and we are overwhelmed at the support of our community for this event and for our school.

Congratulations to the teams that have earned their places at these championships. Your place here is a result of many hard hours of practice, miles on the road, and sweat on the court. Your dedication and sportsmanship make you leaders and role models in your schools and communities.

Hosting a Provincial Championship is a large endeavor - it is thanks to our sponsors, staff, students and volunteers that this event is possible. Thank you so much for your dedication and commitment that turns a vision into a reality.

In addition to our staff, student, sponsor and volunteer support, the support of the fans cheering wildly from the benches and encouraging all our players, makes playing at the Provincial Championships an experience to remember.

Welcome to West Central and good luck!

Stacey Wigley  
Principal, West Central High School

# Welcome

"Strive to be the best you can be" is a challenge that all great educators encourage of their students. In the school sport setting, it is no different.

Both volunteer teacher-coaches and volunteer community-coaches in school sport share the same dream for their students. This will be evident in the interactions you will see this weekend between those coaches and their student athletes.

First and Foremost, I wish to acknowledge that this event is being hosted on Treaty 6 Territory, traditional lands of First Nations and Metis peoples. On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2018 ASAA 3A Boys Volleyball Provincial Championship being hosted by West Central High School and the broader Rocky Mountain House community.

Nathan Moore & Justin Klein have been working on organizing this championship for over a year along with their volunteer committee here at West Central High School to make sure that your positive experience at this championship is one that you will never forget. I want to thank Nathan & Justin for their outstanding efforts, as well as school Principal, Stacey Wigley for her support in allowing their staff the time to make this event a life memory for participating students. I encourage all participants to thank their hosts personally.

Each year, over 8,000 students progress to ASAA provincials. We are proud of these young Albertans and we know that they will go on to be leaders in their workplaces and communities in the years ahead. I challenge these young leaders and their coaches to lead by example and to display the highest levels of sportsmanship, ethics, integrity and respect throughout this championship. How you handle a loss often tells us more about your character than how you handle a win. Display the character you wish to see in others.

On behalf of the ASAA, I thank Platinum partners Alberta Milk and SUBWAY, our Gold level partner Morgex Insurance, souvenir apparel provider Elite Promotional Marketing, and ASAA's official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assists the ASAA in providing a better experience for student athletes across the province.

May you take home a medal or sportsmanship award this weekend, but more importantly my wish is for you take away memories that will last a lifetime.
