# ALBERTA BOWL

# Welcome

“Strive to be the best you can be” is a challenge that all great educators encourage of their students. In the school sport setting, it is no different.

Both volunteer teacher-coaches and volunteer community-coaches in school sport share the same dream for their students; This will be evident in the interactions you will see this weekend between those coaches and their student athletes.

As we start our 65<sup>th</sup> year as an Association, we have much to be grateful for. During those many years we have seen significant changes in society, culture, technology, globalization, indigenous right, gender acceptance and much more. We have also seen, without interruption, a consistent stream of volunteer coaches, who are prepared to give up their personal time to better the lives of Alberta youth via the medium of school sport. While teachers still make up the majority of school sport coaches, there is an increasing number of non-teacher coaches as well. We are grateful for you all.

ASAA has always referred to the “student athlete” and this means the focus is on student first. Sometimes we have to remind coaches and parents that the first priority of the ASAA is Education. Despite the occasional folks who might “miss the plot”, the vast majority of those involved in, and who support, school athletics are right on point. Involvement in school sport is providing student athletes with the tools to succeed in school and in life. It helps build character and resilience, humility and grace. We are proud to support and advocate for those students and their coaches.

This ASAA 2019 Football Alberta Bowl is a prime example of those giving back. I say a sincere thank you to Brett Ralph & Morgan Munroe from Southern Alberta High School Football League for taking on the role of hosting this Championship and welcoming you so warmly. An incredible amount of time and effort from a huge group of volunteers from the Southern Alberta High School Football League and the Raymond community have made it possible for this event to occur. I also offer a sincere thank you to our Platinum partner Alberta Milk, Gold partner Morgex, our apparel provider Elite Sportswear, and our other sponsors for their support of the ASAA.

I acknowledge that as we gather here in Treaty 7, traditional lands of the First Nations and Metis peoples, we celebrate both the traditional lands on which we stand, and the school sport traditions that we are building after 65 years of running high school provincials. For the students and coaches fortunate to attend this event, I wish you a wonderful championship and the creation of memories that will last a lifetime.

John Paton, Executive Director

Alberta School's Athletic Association  
Percy Page Centre 11759 Groat Road NW, Edmonton, AB T5M 2K6

I am pleased to welcome you to the town of Raymond for the 2019 Alberta Bowl. As the current Mayor, and long-serving elected official, I have been privileged to witness tremendous growth in our community over the last 10-plus years – we are a vibrant, growing community with outstanding recreation facilities and outstanding residents. We are particularly proud to be hosting the 2019 Alberta Bowl on our newest recreation facility, Victoria Sports Park.

Raymond has a tradition of athletic excellence across all sport, and particularly in football. We trace our success and competitive spirit back to the town's early settlers and pioneers, who came to this area and capitalized on the land -- through thrift, hard work, ingenuity, and the drive for success, early residents of Raymond irrigated the land and established successful agriculture and business ventures. I encourage you to talk to our townsfolk as you take in the games and use our local services and amenities – ask Raymondites what they love about their town, or what it is like to live in Raymond.

We hope that all athletes will come together in a spirit of fair-play and competition. Sport should bring people together in a quest not only for athletic excellence, but personal excellence. Indeed, as the athletes compete, we hope mutual respect, fairness and inclusivity transcend competition and unite both athletes and spectators. It is my hope that this tournament provides opportunities to form new friendships and rekindle old ones, and that we become better people through competition. May everyone enjoy the tournament and thank-you for visiting.

All the best,  
Jim Depew  
Mayor

Welcome to the Alberta Bowl 2019!

The Southern Alberta High School Football League, in partnership with the Town of Raymond, are excited to host the top football teams in the province this weekend. A number of individuals, schools, and sponsors have joined their efforts to provide each student athlete with a memorable high school experience.

As the Chair for Alberta Bowl 2019, I would like to thank the Town of Raymond and the staff at Victoria Sports Park for providing these athletes with a unique atmosphere and experience. I would also like to thank the Alberta School's Athletic Association (ASAA) for the role they play in making Alberta Bowl an ongoing tradition. A special thanks to the donors, sponsors, and volunteers for the consideration and donations required to run an event of this caliber.

We hope your stay in southern Alberta is enjoyable. We expect the southern Alberta hospitality to provide the students, athletes, staff, parents and supporters with a memorable experience.

Good luck to all of the players, coaches and other personnel!

Brett Ralph  
Chair  
Alberta Bowl 2019

Dear Athletes and Families,

Westwind School Division welcomes all players, coaches, school officials, and family members to Raymond for the annual Alberta Bowl weekend. We are excited to have you with us!

As a former PE teacher and coach, I understand the dedication, time, and perseverance all of you have invested in your various roles as athletes, coaches, bus drivers, athletic directors, principals, community supporters, and parents. High school athletics is not a commitment for the faint of heart, but rather for those in a relentless pursuit of excellence. On behalf of all of the fans you've played in front of this season, I offer a heartfelt "thank-you" for your commitment to getting to this weekend. Most fans don't truly understand the hours you've spent in practice, the requirements in the weight room, or the four months of constant bruises you've received in this great game you love to play and that we love to watch. Your investment, beginning at the very end of last season when you started preparing for this season, has been rewarded with this provincial experience this weekend. Congratulations on a job well done!

As you chase provincial gold this weekend, I encourage you to compete hard and fair, to model sportsmanship in all you do and say, and to enjoy the moment. Over the years I've learned that the provincial experience doesn't happen very often, and when it does, it's a special time that you will never forget. Don't let anyone, or anything, distract you from your moment!

Thanks to all of our Westwind and provincial volunteers for your time in and commitment to details to make this weekend be a success. Let's all do our part to create a great experience and enjoy a day full of great games in beautiful Comet Stadium.

Sincerely,

Mr. Darren Mazutinec  
Superintendent of Schools  
Westwind School Division

**#4 Harry Ainlay Titans at #1 St. Francis Browns  
Sat., Nov. 23 – 6:00 p.m., Victoria Sports Park, Raymond**

The rubber match. This will be the third year in a row these traditional powerhouses will meet in the Alberta Bowl. The previous two contests have been defensive masterpieces with the Titans winning 12-3 in Lacombe in 2017 and the Browns taking the rematch last season with a 3-2 win in Fort McMurray. Defence certainly has been the calling card for these games so it figures that the defending champion Browns might be favoured going into this game. The stingy St. Francis defence, lead by Team Alberta U18 stars Charlie De Land,

Adrian Minakata, and Saihaj Virdee, has given up a grand total of 17 points in three games since playoffs began including only a single point to LCI in last weekend's Southern Final. The Titans have Team Alberta U18 stars as well, but curiously they are all on offense with

QB Eli Hetlinger, receiver Sony Bermudez-Chavez and massive offensive linemen Evan Beck and Albert Reece. This hasn't hurt them in that category as they have averaged 5 TD's a game every since their playoffs began and scored 48 points in last weekend's win over Grande Prairie in the Northern Final. Again, it has been said that defence wins championships but on a dry track in good weather in Raymond will the Titans unstoppable force be enough to get past the Browns immovable object? We'll see on Saturday.

### #3 Austin O'Brien Crusaders at #1 Holy Trinity Academy Knights Fri. Nov. 22 – 7:00 p.m., Victoria Sports Park, Raymond

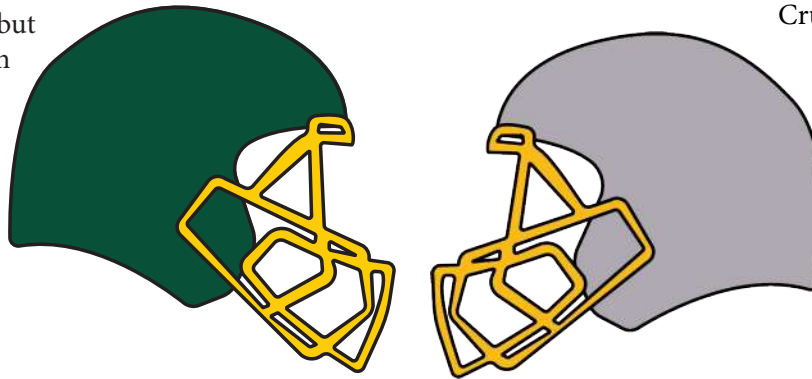

Green and black are definitely the colors of choice in the Tier II Alberta Bowl Final. Both teams proudly sport these colors and enter the game coming from different perspectives. For the HTA Knights, the path back to the final has been their mission all season after getting to the big game last year only to lose out to the Lloydminster Barons 22-7 in Fort McMurray. They've been challenged in both of their Provincial games so far but pulled away at the end in each of them to win comfortably by eerily similar scores of 36-22 and 35-22 last weekend against Bert Church. On the other are the Cardiac Kids from O'Brien.

This is the year the field goal counted. Last season they went toe to toe with the eventual Tier II Champions from Lloydminster in the first round only to lose 18-17 on a field goal attempt on the last play that had plenty of leg

but hit the upright for no points. This season they found themselves against the Barons again in the Northern Final and staged a comeback for the ages trailing 31-15 deep into the fourth quarter before reeling off 17 unanswered points - including a field goal that counted this time with 33 seconds left - to win 32-31 and

advance to their first Alberta Bowl since 2013. These two teams have met before here with the

Crusaders winning their first ever Tier II Provincial Championship in 2011 with a 21-3 win over the Knights. History repeated or will Holy Trinity Academy win their first ever Provincial Title in Raymond in the feature game on Friday night. Should be a classic!

## #4 Holy Rosary Raiders at #1 Cochrane Cobras Sat. Nov. 23 - 2:30 p.m., Victoria Sports Park, Raymond

We've been over the record of the Cobras throughout the playoffs as their participation in this game is seemingly as inevitable as death and taxes. This indeed will mark Cochrane's 15th appearance in the Tier III Championship game in the last 18 seasons (predating the Alberta Bowl itself by six seasons) and their 11 victories including the last five in a row (a Provincial record for All Tier's) is pretty daunting. To say they know a thing or two about winning this thing would be an understatement and last weekend's 42-0 victory over the Crescent Heights

Vikings shows they're poised to make it six in a row. On the other side of the ball are the Holy Rosary Raiders who are on a streak of their own qualifying for their seventh straight Alberta Bowl going back to their days as a Tier IV team in 2013 and 2014. Last weekend they punctuated their run of seven straight Northern Championships with a 56-0 shutout of the Sturgeon Spirits,

however where the Northern Final has been heavenly for the Raiders, the Alberta Bowl for the past four seasons has been a Buffalo Bills-esque hell as while they held their own they dropped each and every contest to Cochrane. Will it be business as usual for the Cobras or will the Raiders finally have enough in the tank to get back the perennial favourites? Should be beautiful weather in mid-day conditions for this contest on the turf in Raymond.

## #6 St. Paul Lions at #1 Willow Creek Cobras

### Sat. Nov. 23 – 11:00 a.m., Victoria Sports Park, Raymond

Another team looking for redemption from last year are the St. Paul Lions. Always putting out a quality team the Lions finally kicked down the door to the Alberta Bowl last season only to run into the Cinderella Wolverines from Canmore who came from nowhere to win the Alberta Bowl 24-10 over the Lions. This year St. Paul fought their way through the tough Wheatland League to a .500 record during the regular season but have taken off again with a solid 30-12 win over Sexsmith in the then a nailbiter 19-14 win over Ardrossan in Final. Both teams were ranked higher than the Lions going

into the contests so St. Paul is definitely on a mission. Facing them are the traditional Tier IV power out of the South, the Willow Creek Cobras from Claresholm who have

had no problem getting to the Alberta Bowl in the last five seasons qualifying in 2014, 2015, and 2017 with their only victory coming in 2017 with a 42-0 blanking of Cold Lake. Their resume coming into this game is pretty impressive with no one coming within six TD's of them since the playoffs began including a 53-0

shutout of last year's Tier IV Champion Canmore Wolverines in the first round and a 48-7 win over the #2 ranked Drumheller Titans in the Southern Final last Saturday. First game of the day on Saturday in Raymond could provide some fireworks.

**#2 Breton Cougars at #1 J.C. Charyk Hawks  
Fri., November 22 – 4:00 p.m., Victoria Sports Park, Raymond**

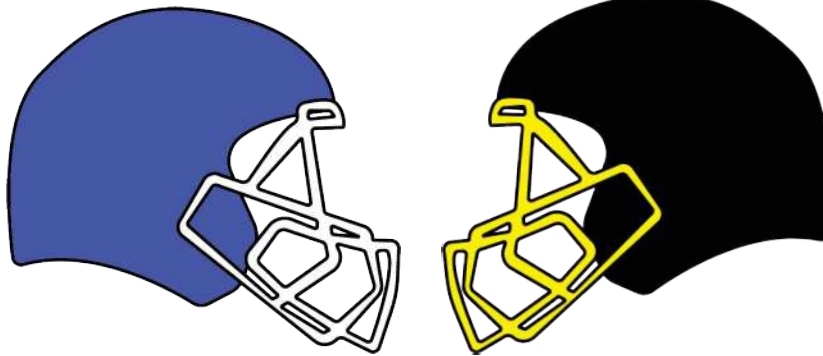

Elven games in a row and counting is win streak for the defending 6-Man Provincial Champion J.C. Charyk Hawks. Based on what they've been doing in Provincials so far it might be an even twelve on Friday as the Hawks have won both of their Provincial games so far by an average score of 78-18. Now, big scores are nothing new to 6-Man Football but that's pretty impressive on the defensive side of things, especially against the top opposition present at the Provincial level. On the other side is the cradle of 6-Man Football in Alberta with the Breton Cougars still looking

for their first ever Provincial Title. As the first 6-Man team in the modern era they have taken a school with one of the smallest populations in the Province to great heights over the years but still are missing something

from their trophy case. Two seasons ago they advanced to their first ever Alberta Bowl and lost on the last play of the game when their receiver who caught a ball deep in the end zone was ruled out of bounds. Last season they made it to the Provincial Semi-Final only to be dispatched by the same team they will be playing in the

Alberta Bowl, the J.C. Charyk Hawks, in another thriller 62-60. The

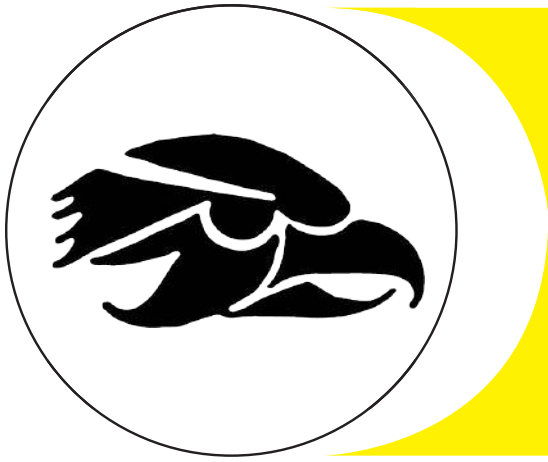

Cougars are sick of close enough and the Hawks of Hanna just want to keep rolling. A great way to start the Alberta Bowl this Friday in Raymond.
