March 14—16, 2019

Paradise Valley, Alberta

Welcome

“Strive to be the best you can be” is a challenge that all great educators encourage of their students. In the school sport setting, it is no different.

Both volunteer teacher-coaches and volunteer community-coaches in school sport share the same dream for their students; This will be evident in the interactions you will see this weekend between those coaches and their student athletes.

First and Foremost, I wish to acknowledge that this event is being hosted on Treaty 6 Territory, traditional lands of First Nations and Metis peoples. On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2019 ASAA 1A Girls Basketball Provincial Championship being hosted by E.H. Walter School and the broader Paradise Valley community.

Calvin Anhorn & Chloe Zarowny have been working on organizing this championship for over a year along with their volunteer committee here at E.H. Walter School to make sure that your positive experience at this championship is one that you will never forget. I want to thank Calvin & Chloe for their outstanding efforts, as well as school Principal, Bruce Pugh for his support in allowing their staff the time to make this event a life memory for participating students. I encourage all participants to thank their hosts personally.

Each year, over 8,000 students' progress to ASAA provincials. We are proud of these young Albertans and we know that they will go on to be leaders in their workplaces and communities in the years ahead. I challenge these young leaders and their coaches to lead by example and to display the highest levels of sportsmanship, ethics, integrity and respect throughout this championship. How you handle a loss often tells us more about your character than how you handle a win. Display the character you wish to see in others.

On behalf of the ASAA, I thank Platinum partners Alberta Milk and SUBWAY, our Gold level partner Morgex Insurance, souvenir apparel provider Elite Promotional Marketing, and ASAA's official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assists the ASAA in providing a better experience for student athletes across the province.

May you take home a medal or sportsmanship award this weekend, but more importantly my wish is for you take away memories that will last a lifetime.

On behalf of the Board of Trustees, staff and students of Buffalo Trail Public Schools, I want to welcome everyone to the 2019 Girls 1A Provincial Basketball Tournament here at E.H. Walter School.

Congratulations and thank you to the organizing committee for the countless hours that have gone into securing this tournament and all the planning that has gone into making sure that this will be a memorable tournament for everyone involved. The girls have worked together well all season and their consistent effort has led to some great results. The Lakers have a 23-4 record going into provincials. To earn this record, the Lakers were undefeated en route to winning the competitive Deep South league. The rest of their games came from 6 tournaments. In these tournaments, the Lakers earned an impressive record of 14-4 and were tournament champions at Olds, Picture Butte and Kate Andrews tournaments. They were also finalists in their home tournament and consolation winners at the W.R Myers tournament this year. In zone competition, the Lakers went 3-0 for their 7th consecutive South Zone Championship. We are very excited and appreciative to be at this year's Provincial tournament.

From the Coach

The Teddies have enjoyed a great season of ball this year. We went undefeated in the league play, and finished in the finals in all but one tournament we played in. We boast a proud record of 26 -4. Our core strength comes from our grade 11 athletes, but kept in check by our 2 savvy grade 12's with an added batch of keen rookies rounding out this year's team. This season marks our 7th consecutive year attending provincials at the 1A level, proudly representing the North Central Zone since our school has been 1A. We are hopeful we can improve on our 2 previous 4th place finishes. Dan, the girls, and our school would like to thank Mr. Dick for his ongoing commitment to Grand Trunk sports as this will be his 32 attendance at ASAA provincial championships. The Teddies look forward to competing in the tournament this year and thank EH Walter for hosting. We wish all teams' good luck and good sportsmanship.

They placed 2nd and 3rd in the other two local tournaments. We were fortunate enough this year to get invited to the Sweet 16 Tournament (2A) at Rundle College in Calgary and placed 7th out of the 16 teams attending. The PICS Penguins competed in Metro League Division 3 and finished just out of the playoffs. In tournament play, we attended the Sturgeon "Rise Up, hosted "Elevate", and went to Calgary to compete in the Rundle College "Sweet 16". We also hosted a school from Lynden, Washington for a basketball weekend and treated them to some horribly cold weather. Although our record won't intimidate many, our schedule was challenging and we are looking forward to using our experiences to help us compete well at provincials. Thank you to E.H. The Case for Sportsmanship

“ The ideals of good sportsmanship, ethical behaviour and integrity should permeate all interscholastic athletics in our community. In perception and practice, good sportsmanship shall be defined as those qualities of behaviour which are characterized by generosity and genuine concern for others. Our athletic fields should be laboratory to produce good citizens reflecting fair play in every area of life.”
