Re: ASAA Badminton Rules

ASAA Member Schools,

The ASAA wants to remind you that the playoff category policies have been updated in Section IX of the [Policy Handbook](#) and that points will not be awarded for no shows on the last day of provincials.

Also, we wish to clarify the following dress code modification:

“Athletes must compete in a uniform that distinguishes their school or zone. Uniforms contrary to this rule will be considered illegal. When playing doubles, the uniforms shall match. It is highly encouraged that teams have matching shorts, but not mandatory. Clothing with offensive language or symbols will not be allowed. Shorts should be worn during play. Long sleeve shirts are allowed to be worn underneath the team uniform - however it should match the color of the school uniform or be white or black. Athletic pants are also allowed if necessary, however the color of the “undergarments” should match. For example - if you have a black long sleeve shirt under your team uniform top, then you are allowed to wear black athletic pants. No hats or dew rags shall be worn during competition or warm-up. The venue coordinator will instruct player(s) to change if not in compliance with the dress code.”

If you have any questions, please contact Brad Van Raalte by email (brad@asaa.ca).
