Re: ASAA Basketball Score Posting and Rankings

ASAA Athletic Directors and Basketball Coaches,

Please note that ASAA Basketball Policy X.5.C. ([page 56](#)) states that “all schools shall submit their game results online using SRS”.

The ranking committees are trying to create accurate rankings for several reasons, one being that at the end of the year, the rankings will be used to determine wildcards. Schools that do not post scores are not only negatively impacting their own teams, but also the other teams in their zone.

Please ensure that all scores have been inputted into SRS by 3:00pm today so that the ranking committees can complete their tasks and finalize their rankings fairly and accurately.

If you have issues or questions about posting scores, please contact Brad Van Raalte at brad@asaa.ca.
