Re: Registered Basketball Teams, Score Sheets and Ranking Timeline

ASAA Member Schools,

Please note the following updates:

1. A full list of registered teams by gender and zone has been [published](#).
2. There are now [two different score sheet options](#). Schools, zones and leagues have the liberty to choose any score sheet they like; these two are simply provided as resources. Note that the ASAA office will no longer be purchasing the triplicate NCR (no carbon required) sheets.
3. The ranking timeline has changed; if you are interested, you can view the [updated package](#).

Also, please remember to post your scores; winning teams are responsible for posting but sometimes that does not happen, so check to ensure your scores are inputted, even if you lost. In order to be ranked, you must have scores inputted.

If you have any questions, please contact Brad Van Raalte.

Happy New Year!
