Re: ASAA Registration, Scores and Rankings

ASAA Member Schools,

ASAA Basketball Season is well under way!

Please note that the registration deadline for creating a team with at least five (5) players and one (1) coach was Friday, December 15. If you missed this deadline, please contact Amanda Beaty at info@asaa.ca.

Please register your JV teams! They should be registered for the following reasons:

1. Some schools pull JV players up for provincials; this is permitted but only if you have registered your JV team.
2. Posting scores: smaller schools often play meaningful games against JV teams of larger schools and want to be able to post these scores. If a JV team is not registered, the score may be incorrectly posted as a varsity team score. **Please ensure you post scores against JV opponents correctly!**
3. The higher the number of students registered, the more accurate our numbers are when reporting.
4. The higher the number, the higher the likelihood of receiving grants, sponsorships, etc.

Scores should be posted promptly after all games; winning teams are responsible for posting but sometimes that does not happen, so do check to ensure your scores are inputted, even if you lost. In order to be ranked, you must have scores inputted.

Rankings will be done by committee for each classification per gender. Committees, guidelines, timelines and all other basketball information can be found on the Basketball page of the [ASAA website](#).

If you have any questions, please contact Brad Van Raalte by email (brad@asaa.ca).
