Create a Start.gg Account

A Start.gg account is a requirement to registering for the tournament. If you don't already have a Start.gg account, please create one. You can use your Microsoft account (if you have one) or create one directly in the account creation section by filling in the fields.

Step 3

Select the Event

This year we will only have 2v2 Rocket League Tournaments. You will be asked to give us your Rocket League Ranking. Remember, all skill levels are welcome to register, but you may compete against players of higher skills/ranks.

Further down in the registration form, you will be asked to type in your Rocket League Teammate's name. If you don't have a partner yet please type N/A and we will work with you to find a partner.

Step 4

Fill out all the required Registration Questions

Most of your registration questions are required. Please answer all of them.

Step 5

Enter the Email Registration Code

Email Registration Code: **Gamers Unite 2022**
