Date: July 8, 2022

CC: ASAA Executive Director
ASAA Football Commissioner

RE: Footballs

Due to the discontinuation of the Wilson F1005 and supply shortages for alternates, the ASAA Office would like to communicate a decision regarding which footballs can be used during the 2022 season of play.

During regular season play, leagues will determine acceptable balls, but during ASAA quarterfinals, semifinals and finals, an approved leather ball must be used. Before a game, both teams will supply the referee with three balls for use on offense (i.e. each team can choose which ball to run their offense with). **The leather balls approved for use by the ASAA for playoffs in Fall 2022 are:**

Baden F7000L-QB (Ontario High School game ball)
Wilson GST (NCAA and NFHS game ball)
Wilson F1005
Wilson F2000 (U Sports and Saskatchewan High School game ball)

The ASAA Executive/ASAA Commissioner will prepare a Notice of Motion to change the Official Game Ball (ASAA policy p. 73, 7.D) in time for the spring 2023 meetings.
