Re: ASAA Approved Footballs

---

Due to the discontinuation of the Wilson F1005 and continued supply shortages for alternates, the ASAA will maintain the temporary measure for which footballs can be used during the 2023 season of play.

During regular season play, leagues will determine acceptable balls, but during ASAA quarterfinals, semifinals and finals, an approved leather ball must be used. Before a game, both teams will supply the referee with three balls for use on offense.

**The leather balls approved for use by the ASAA for playoffs in Fall 2023 are:**

Nike Vapor One  
Wilson F1005  
Wilson F2000  
Wilson GST  
Wilson TDS 1205

**Please note that this list is slightly different than last year based on the survey results.**

It is the hope of the ASAA Executive that a new official game ball will be chosen in time for the 2024 season.
