Re: SRS Update #2

ASAA Member Schools,

Please note that **SCHOOL REGISTRATIONS are due today, October 10!** Invoices will be sent out and payment is due to your zone by October 31, 2023.

Note: CSHSAA and Edmonton Metro schools have unique billing procedures and should connect with their zone secretary for more information.

JOINT TEAMS: This feature will hopefully be ready tomorrow. Joint teams for football and volleyball must be finalized by the October 15 deadline.

TEAM REGISTRATION: Register all of your fall sports teams!

This includes JV teams: we want JV teams registered for these reasons:

1. Some schools pull JV players up for provincials; this is permitted but only if you have registered your JV team.
2. Posting scores: smaller schools often play meaningful games against JV teams of larger schools and want to be able to post these scores. If a JV team is not registered, the score may be incorrectly posted as a varsity team score.
3. The higher the number of students registered, the more accurate our numbers are when reporting.
4. The higher the number, the higher the likelihood of receiving grants, sponsorships, etc.

TRANSFERS: All forms must be submitted through SRS. We recognize that this has been a source of frustration and apologize for the consternation this has caused.

POSTING SCORES (volleyball): A reminder that there will now be rankings for all classifications of volleyball, so all teams are required to input scores. If you do not post scores, you may not get ranked.

POSTING SCORES (football): We will not be using this feature for the 2023 season. Development will occur at a later date and will be ready for the 2024 season.
