Re: SRS Update #4 - Joint Teams and Deadlines

---

ASAA Member Schools,

**JOINT TEAMS:** When this feature was released, it created a number of other problems. Our developers worked hard today to (hopefully) fix all of these glitches. Please remember to check the [SRS Instructions](#) document for a step-by-step guide on registering teams.

**Note:** For schools that made joint teams and were not able to see all the schools in the joint team, simply edit the team, and re-save it. This will run the updated checks and register the change, both updating the joint schools access, and if necessary emailing joint schools with their invite/adding it to the joint school activity feed.

If you are still experiencing issues, contact [meghan@asaa.ca](mailto:meghan@asaa.ca).

**DEADLINES:** October 15

Football and Volleyball

- This is the deadline to add students and coaches as well as the opt-up deadline. If you cannot have your team registered by the deadline, we will not be charging late fees until October 20, but we request that you get your registrations in as soon as possible.

**POSTING SCORES (football):** We will not be using this feature for the 2023 season. Development will occur at a later date and will be ready for the 2024 season.
