Re: Volleyball Rankings - Extended First Ranking Period

---

ASAA Member Schools,

With the launch of the new Sport Registration System (SRS) going live late last week, our web developers have been working tirelessly to diminish any bugs in the system that schools have come across since entering the site, including many schools being unable to submit Volleyball Scores.

It has been decided by the ASAA Executive Director and Assistant Executive Director that the First Ranking Period for the 2023/24 ASAA Volleyball Season be extended by one week. The First Ranking Period for all classifications (1A-4A), will now be from September 1st to October 8th. ASAA Rankers will start to review the past months scores on Monday October 9th, and submit their rankings by 11:59 pm on Wednesday, October 11th. Once the rankings are complete they will then be uploaded to the ASAA website.

As mentioned in previous communications, 4A schools are expected to submit all results that have occurred prior to the SRS launch. 1A-3A schools may submit scores from the SRS launch and onwards, however scores from before the launch will not be mandatory.

All schools should now have access to submit Volleyball scores. If you have any issues submitting scores please contact Shelbea MacLennan [shelbea@asaa.ca](mailto:shelbea@asaa.ca)
