RE: Changes in Membership Fees

To: All ASAA Member Schools

From: John Paton, Executive Director

Dear Administrators of ASAA Member Schools:

At the 2019 Annual General Meeting of the ASAA, there were some adjustments voted into policy by the Board of Governors regarding ASAA membership fees. These changes include:

- An increase from \$30 to \$40 for the Compliance Officer Fee (reflected in the ASAA Fee)
- Addition of a Legal Expense fee
- Addition of a one-time Legal Contingency Fund fee (applicable **only** for 2019/20)

For your budgeting purposes, we have consolidated the changes into a quick reference guide until the new ASAA Policy Handbook for 2019/20 is available for you.

Please note that the **Legal Contingency Fund** fee is a one-time fee applicable **only** for 2019/20. Pro-rated amounts may be charged in future years to top up the fund, but only if the ASAA has a court case or incurs significant legal fees over an issue. See Notice of Motion #10 for details on replenishment of this fund. If you have any questions, please contact our office at 780-427-8182.
